Long Term Care Managing Across The Continuum:

Pratt's Long-Term Care: Managing Across the Continuum Steven Chies, 2020-10-01 Covering the full spectrum of long term care Pratt's Long Term Care Managing Across the Continuum Fifth Edition is an ideal introduction to management in this dynamic industry Concise yet complete it begins with a look at recent changes in long term care and health care reform before examining the various long term care providers and their interaction with competition payment systems quality and ethical issues It moves on to explore managing in the long term care system looking at administration leadership culture change technology and community relations and concludes with a look at future trends and managing continuing change The Fifth Edition is a comprehensive revision reflecting new Federal Requirements of Participation from CMS for skilled nursing facilities and changes the Medicare fee for service payment system PDPM It also addresses the Affordable Care Act and its impact on long term care as well as the growth of technology in care and more *Long-term Care* John R. Pratt, 2004 Now in its second edition Long Term Care Managing Across the Continuum has been thoroughly revised and updated to provide you with a solid foundation on which to build your management expertise The text provides a comprehensive overview of the current state of long term care the changes that are taking place and of the skills managers need to be successful

Long-Term Care John Pratt, 2015-01-22 Long Term Care Fourth Edition is an ideal introduction to management in this industry Adopted as a reference for the national licensing examination prepared by the National Association of Long Term Care Administrator Boards this book covers the full continuum of long term care *Long-Term Care: Managing Across the Continuum* John Pratt, 2009-07-02 *Long-Term Care: Managing Across the Continuum* John Pratt, 2009-07-02 This book is intended as both a college text and a reference source for professionals policy makers and regulators The text provides a sound reference source for anyone wishing to gain a better understanding of the long term care system It is concise but complete defining the various segments of the system It also describes how the system developed to its current state compares it to an ideal system and projects future trends likely to impact the system The earlier editions have been used by multiple colleges and universities for their long term care administration courses It has also been adopted as a cited reference for the national licensing examination prepared by the National Association of Long Term Care Administrator Boards NAB which is used by all fifty state licensing boards and the District of Columbia and for the Certification examination of the American College of Health Care Administrators ACHCA It covers the full continuum of long term care in enough detail to develop a sound understanding of the system yet does not get bogged down in overly specific detail as some texts do Features 1 Explains how the long term care system developed and compares it to an ideal system 2 Describes the primary types of long term care providers nursing facilities assisted living subacute care senior housing community based care presenting each in a similar manner making it easy to compare and contrast them 3 Covers how the providers interact with each other and with consumers and regulators focusing specifically on how they compete cooperate and integrate how

they are regulated financing quality ethical issues 4 Discusses how long term care providers are governed and managed with chapters also devoted to leadership and culture change technology and marketing 5 Outlines future trends and their projected impact on long term care and discusses how managers should act for success in the future Students will find 1 Case studies with each of the provider chapters showing how they serve specific consumers 2 Discussion questions and vocab terms at the end of each chapter 3 Online supplemental materials with both chapter based interactive flash cards and an overall Glossary on line
