 - New local delivery partners/collaborations.

Long Term Budgetary Pressures And Policy Options

Stuart H. Altman, David Shactman

Long Term Budgetary Pressures And Policy Options:

Long-term Budgetary Pressures and Policy Options United States. Congressional Budget Office,1998 Long-term Budgetary Pressures and Policy Options United States. Congressional Budget Office,1998 *Long-Term Budgetary Pressures and Policy Options* Douglas Hamilton,Joseph Antos,1997-06-01 The 10 year time frame used to prepare budget projections is not sufficient to show the dramatic effects on the Federal budget of the projected long term demographic changes in the U S population This report takes into account the improvement in the near term budgetary outlook and other developments It also examines the potential long term budgetary impacts of enacting the various Social Security and Medicare options Contents the long term budget outlook slowing the growth in Social Security and Medicare and the long term budgetary impact of controlling the growth of Social Security and Medicare Charts and tables **Long-Term Budgetary Pressures and Policy Options** Congressional budget office (u s congress) washington dc,1998 The large baby boom generation will begin to retire in about 10 years and as the demographic structure of the population changes federal revenues will grow more slowly and outlays for Social Security Medicare and Medicaid will rise Moreover because spending per enrollee in Medicare and Medicaid is expected to climb faster than the average wage the share of income spent on those programs will increase even without any change in demography Because of those pressures the Congressional Budget Office CBO projects that deficits will reemerge and grow in the years after 2008 unless current policies are changed The long term deficit problem could be resolved by many combinations of spending reductions and tax increases This report focuses on Social Security and Medicare because those programs are so large and so directly affected by the aging of the population The approaches discussed illustrate the types of steps that could be taken to slow the growth in spending on those programs The analysis shows how combinations of those options would reduce the size of the long term fiscal imbalance Although it will be difficult to limit spending on entitlements for the elderly in the face of the projected increase in the number of people eligible for them doing so will confer substantial gains on the economy List of Publications United States. Congressional Budget Office,2002 **Budget issues analysis of longterm fiscal outlook : report to congressional requesters** , Budget Options ,2000 **Policies for an Aging Society** Stuart H. Altman,David Shactman,2002-07-26 Zeldes Columbia University Robert B Hudson Boston University Journal of Health Politics Policy and Law **Long-term Budgetary Pressures and Policy Options** United States. Congressional Budget Office,1997 Budget options United States. Congressional Budget Office,1977 **Comprehensive Budget Process Act of 1999** United States. Congress. House. Committee on Appropriations,1999 True Security Michael J. Graetz,Jerry L. Mashaw,Professor Jerry L Mashaw,1999-01-01 Social insurance in the United States including the Social Security Act of 1935 and the Medicare Medicaid and disability insurance programs that were added later may be the greatest triumph of American domestic policy But true security has not been achieved As Michael J Graetz and Jerry L Mashaw show in this pathbreaking book the nation s system of social insurance is

riddled with gaps inefficiencies and inequities Even the most popular and successful programs Medicare and Social Security face serious financial challenges from the coming retirement of the baby boom generation and the aging of the population This book challenges the notion that American social insurance must remain inadequate unaffordable or both In sharp contrast to policymakers and analysts who debate only one income security program at a time Graetz and Mashaw examine social insurance whole to assess its crucial role in providing economic security in a dynamic market economy They recognize that notwithstanding a proper emphasis on individual freedom and responsibility Americans share a common fate that binds them together in a common enterprise The authors offer us a new vision of the social insurance contract and concrete proposals to make the nation s families more secure without increasing costs

Concurrent Resolution on the Budget United States. Congress. Senate. Committee on the Budget,2001 **Countdown to Kyoto, Parts I-III** United States.

Congress. House. Committee on Science. Subcommittee on Energy and Environment,1998 **International Global**

Climate Change Negotiations United States. Congress. House. Committee on Commerce. Subcommittee on Energy and Power,1998 **The Global Debt Bomb** James L. Clayton,2016-09-16

Within a historical perspective Clayton clearly explains the culture of debt its definition how it got to be such a major burden why we can t live without it and ways to manage it more efficiently He addresses the development of debt over the course of the 20th century in both the US and world economies This comprehensive multidisciplinary analysis covers all aspects of debt benefits and necessity the impact both good and bad on individuals corporations and governments and lessons to be learned from the past Clayton drawing on current research and extensive primary data in economics political science and history concludes that with our rapacious accumulation of debt and common place use of debt finance our society has set itself up for a significant financial decline

Concurrent Resolution on the Budget for Fiscal Year 1999 United States. Congress. Senate. Committee on the Budget,1998 **The Economic and Budget Outlook, an Update** ,1998 *A Report to the Senate and House Committees on the Budget* United States. Congressional Budget Office,1999 **Campaign Finance Reform and the Future of the**

Democratic Party Jerrold Schneider,2002-06-14 Campaign Finance Reform and the Future of the Democratic Party offers a new interpretation of the dynamics of the American political system Schneider explains how campaign finance reform would enable the Democratic Party to reverse the decades long decline in their voter base Reform would incentivize the Party to reallocate 1 trillion per year in contribution driven waste to popular programs without which the kind of progressive economic policies that have always energized the Democratic base will continue to be starved of resources Schneider shows that contrary to conventional wisdom writing an effective reform law that can t be loopholed is feasible So is a set of specific measures to force Congress to enact an effective law In the end reform holds the key to the democratic character and dynamics of the political system Reform also holds the key to investments for future U S productivity growth and the reduction of inequality
