In addition, the book contains an overview of the opportunities in the growing fields of public health and health policy.

Ethnicity and Old Age Sandra Torres, 2020-09-16. Winner of the Richard Kalish Innovative Publication Award 2021. Part of the *Ageing in a Global Context* series, this book proposes a new research agenda for scholarship that focuses on ethnicity, race, and old age. It argues that in a time of increased international migration, population ageing, and ethno-cultural diversity, scholarly imagination must be expanded as current research frameworks are becoming obsolete. By bringing attention to the way that ethnicity and race

have been addressed in research on ageing and old age with a focus on health inequalities health and social care intergenerational relationships and caregiving the book proposes how research can be developed in an ethnicity astute and diversity informed manner
