Long Way Round Ewan McGregor, Charley Boorman, Robert Uhlig, 2004 It started as a daydream Poring over a map of the world at home one quiet Saturday afternoon Ewan McGregor actor and self confessed bike nut noticed that it was possible to ride all the way round the world with just one short hop across the Bering Strait from Russia to Alaska It was a revelation he couldn't get out of his head So he picked up the phone and called Charley Boorman his best friend fellow actor and bike enthusiast Charley he said I think you ought to come over for dinner From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride over 20 000 miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Lycra, Lattes and the Long Way Round Mark Krieger, 2011-11-11 As I drew closer to the town of Pont de Vaux I found myself thinking of some of the places I'd passed through There were so many tiny hamlets villages and larger towns some vibrant and fine looking others lifeless run down and in dire need of repair Then there were of course the countless

numbers of French people who had helped me piece together the jigsaw of roads along my way The places I was riding through weren't quite the same but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass It was vastly different from the Hautes Alps and the bustling stretch of Mediterranean coast but full of its own charm and character nonetheless Beginning with the idea of tackling some of Europe's most formidable mountains on his road bike Mark Krieger along with his wife Roz started his journey around France from the medieval town of Langres and instantly fell in love with the country Known for its history culture fine cuisine and above all its cycling it became the perfect setting for a Tour of a lifetime

Gun Dogs James Langer,2009-04-01 What is a Gun Dog An uncontrolled creature purportedly under our control These poems strain at the lead The torque is felt in the line the verb the wild thinking in metaphor The maturity of James Langer's vision reveals itself here in the cumulative effect of his rhetoric He won't land on his quarry Love Forgiveness Respect of Place Clarity of Memory He will however attain wisdom within these poems a measured equanimity that can be traced back to the Stoics These lines are like those of Les Murray Seamus Heaney Derek Walcott and Robin Robertson Here is a debut from a genuine fully formed talent whose poems reach the sublime
