Long Way To Shiloh:

A Long Way to Shiloh Lionel Davidson, 1966 *From Gaelic to Romantic*, 2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender **A Woman's Voice** Marcella Bakur Weiner, Blema Feinstein, 2001 A Woman's Voice examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women **The Stars for a Light** Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her **Shiloh's Well** Fred Sherrod, 2012-07-25 When a woman from Samaria comes to draw water at Jacob's well Jesus known prophetically as Shiloh Prince of Peace offers her an incredible gift living water All she has to do is ask which by the way still applies today Jesus explains that everyone who drinks from His well even those of questionable character like her will never be thirsty again and the water will become a spring welling up to eternal life NIV In Shiloh's Well you can read all about an overflowing abundant life that is available to all those who drink of this miraculous living water My prayer is that these pages will proclaim a clear unequivocal message of eternal hope and spiritual truth

pointing to the God who has sustained and blessed me my entire life May Shilohs Well make you smile touch your heart lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service

this modern computer age is finding a way to peak peoples curiosity especially young people about what a centuries old book has to say I have struggled to present many of the basic biblical truths in an easy to read format interesting to all ages In these pages you can find the basis for the confident beliefs and strong convictions responsible for shaping the essence of my being and guiding my choices in life Many of the key themes of the Christian life are addressed in the thirty nine chapters These include the way to salvation coping with sin spiritual growth and responsibility church life prayer faith anxiety happiness depression materialism old age death and heaven If you own a Bible you hold in your hand the very same scepter our Lord so deftly wielded against the enemy when tempted in the wilderness This kingly wand an awesome weapon and incomparable guide will protect you from the evil one and keep you safe on your journey through life But importantly you must learn how to use the Word for it to be effective Results achieved are commensurate with how well your powerful blade is brandished If you find the time to read this book and it improves your Bible skills in any significant way then my countless hours of writing will have been well spent May these pages lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service *The Map* Yasha, This is book 2 of the Tambolian Paradox book series **Finding Your Child's Way on the Autism Spectrum** Dr. Laura Hendrickson, 2009-02-01 It seems that nearly everyone knows a family with an autism spectrum child Most recent figures suggest that the prevalence of all autism spectrum disorders in the United States is an astonishing 1% of the population in the United States translating to twelve million parents and grandparents that are seeking answers There are many books available on how to cure an autistic preschooler but none on how to raise one to adulthood These promised cures raise parents hopes but most parents will find that they are dealing with a lifelong challenge no matter what they do Dr Laura Hendrickson is a trained psychiatrist biblical counselor and the mother of an autistic child She understands the struggles parents face as they try to communicate with their autism spectrum child and manage behavior challenges With an approach that is grounded in a deep understanding of the challenges those caring for autism spectrum children face *Finding Your Child's Way on the Autism Spectrum* gives the reader sound practical tools for understanding how to guide an autism spectrum child to function more fully as the person God created them to be **Texas Wildflower** Susan Wiggs, 2008-03 Texas frontier detective Shiloh Mulvane captures rugged outlaw Justin McCord who unbeknownst to Shiloh is a spy on a mission to save the fate of Texas from a corrupt politician to impress her employer but the tables turn when Justin holds her hostage forcing her into a marriage of convenience Original *The Hobble* Andrea Marino, 2019-02-27 This is an amazing story of love pain and God's unknown help We all learn the truth eventually he never left us nor does he ever forget us My main love of this book is how Andrea has written God into a normal life walking among humans Beth's Wild and Crazy Book Reviews Maintaining a resilient spirit through several losses Electa loses all hope when a minor accident ends both a promising career in The Performing Arts and a promise of marriage As bitterness grows she begins to believe God has left her by the wayside of life But this could not be

further from the truth For God always desiring the best for Electa had the perfect place already prepared where she could realize and possess even more than what she wanted Though the reality was yet a mystery it would unfold at one particular Inn Her curiosity initially stirred by the Innkeeper s unusual offer to accommodate complete strangers at no cost what Electa would discover was a phenomenon making all the difference in the world she knew and making up the differences in her What if there really is life beyond this world in either heaven or hell as God says Wouldn t you want to know the way to heaven and wouldn t you want God to do whatever it takes to prevent you from making the greatest mistake of your life This is Electa s story How she stumbled upon the truth and came out of the darkness Hopefully the reader will find some comic relief in what is a life and death matter God does have a sense of humor *A City Not Forsaken* Lynn Morris,2012 Young Dr Cheney Duvall returns to New York City in time to battle a cholera outbreak and cope with the conflicts between high society and the call of the poor *The Synchronicity War Part 2* Dietmar Arthur Wehr,1900 The unprovoked war with a mysterious alien race is going badly Minor tactical victories are offset by major strategic setbacks The aliens know where all Human occupied worlds are while their own worlds are still unknown Victor Shiloh s unpredictable precognitive visions are the only thing that is slowly the alien onslaught Not content with gradually pushing Humanity back Shiloh s vision reveals a massive attack on Earth that will have terrible consequences So far his visions have all come true Can his A I allies make the difference between extermination and survival for the Human Race *Love in the City 3-Book Boxed Set* Kathryn Cantrell,2020-12-02 It s all fun and games until someone loses a heart The first three full length books in the Love in the City series in one set More Than Friends They promise each other they won t let it get weird But they do And it does Nomi Hannon is sick of losing First she failed to get her brother off on fraud charges Then she lost the practice they built together She s not about to lose the city council election Too bad she just accidentally starred in a compromising photo that her squeaky clean opponent is all too willing to use against her Surely marrying the guy in the photo her best friend the only stable force in her life will solve the problem right Malone DuMar s luck hasn t been any better than Nomi s He s not looking for a wife not after his ex fianc e stole his company But Nomi has always been the one person he could count on There s no way he s going to turn his back on her when she needs him the most It s a simple plan Only pretend That s what they told themselves anyway But that was before they realized their friendship was on the line if their marriage of convenience went south Before the kiss that changed everything More Than A T V Husband On camera they re the perfect bride and groom Too bad she doesn t know who he really is When Lilith Parker s business is threatened it s a no brainer to gain extra publicity by appearing on a reality TV show that marries her to a complete stranger Her fake groom Dane McClarren has undergone a total makeover which guarantees Lilith won t recognize him as the nerd she rejected in high school it s the perfect revenge But in an unforeseen plot twist Lilith is a lot different than he remembers When he falls for her can he stop the scheme he s put into motion before it s too late More Than Her Bodyguard She s his best friend s sister Off limits for so many reasons So

why did he agree to a fake engagement that will make it impossible to keep his feelings for her a secret Shiloh Anderson is done with men who can't spell commitment She'd rather focus on opening her own business instead of wading back into the dating pool in hopes of meeting a unicorn of a man who won't run the other way the moment things get serious But that was before someone starts stalking her Her brother plunks down a solution in the form of a fake engagement to his best friend the one man he trusts to keep her safe Suddenly she has a pretend fiancé who's treating her like his cherished bride It's all an act Right Except someone needs to explain to her lonely commitment-starved heart that none of this is real
