**Adventure in Ancient Azorka Immortal** Corrie Gilmour,2023-04-13

In part one we left the Wizard standing at his office window on the second floor of his castle He had been defeated in battle by Azorka s heroes Now he was glad that his hybrid flying abominations dim witted and useless to him had vacated their pens He would refill them with more powerful and intelligent creatures Keeping this in mind he toasted to his success with a large glass of optimism At the same time a jubilant Mitch Heather Sally Zen and Lana were sailing back to Azorka celebrating the rescue of Heather and the capture of the Dragon Queen Even the immortal Dragon Queen would admit that in their world wonders never cease Wonders never cease in Immortal There will be more disclosure of the Zapatsaurs An introduction to visitors from outside of our solar system and powerful changes and abilities for Heather Lana and Sally The Wizard meets two new allies dedicated to helping him win in this exciting new episode The unique literary voice I wish to offer to my readers is that of an individual who craves peace at all levels in our world Whether that be a peaceful walk at night or the peaceful negotiations of countries experiencing change If we could all strive for this change make it our priority then I believe we will magically come into possession of higher technology And there could be others outside of the aquarium that are wishing this would come true soon The buildup of missiles can be redirected outside the aquarium for those unwanted meteorites of the future Presently we as peaceful individuals should follow environmentalists by caring for the planet and being mindful of climate change
