Longest Debate:

The Longest Debate Charles W. Whalen, Barbara Whalen, 1985 Describes how some of the decade's most important legislation made its way through Congress An Idea Whose Time Has Come Todd S. Purdum, 2014-04-01 The story of the behind the scenes political battle to pass the 1964 Civil Rights Act Excellent a highly readable play by play The Atlantic It was a turbulent time in America a time of sit ins freedom rides a March on Washington and a governor standing in the schoolhouse door when John F Kennedy sent Congress a bill to bar racial discrimination in employment education and public accommodations Countless civil rights measures had died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In this revealing book Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the US Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history an example in our own troubled time of what is possible when bipartisanship decency and patience rule the day Brilliantly rendered and emotionally powerful a riveting account of one of the most dramatic and significant moments in American history Doris Kearns Goodwin Today's reader will be startled if not astonished by how the bill made its way through Congress The Washington Post Worthy timely and intelligent The New Yorker A first rate narrative The Wall Street Journal Justice Rising Patricia Sullivan, 2021-06-08 A leading civil rights historian places Robert Kennedy for the first time at the center of the movement for racial justice of the 1960s and shows how many of today's issues can be traced back to that pivotal time History race and politics converged in the 1960s in ways that indelibly changed America In Justice Rising a landmark reconsideration of Robert Kennedy's life and legacy Patricia Sullivan draws on government files personal papers and oral interviews to reveal how he grasped the moment to emerge as a transformational leader When protests broke out across the South the young attorney general confronted escalating demands for racial justice What began as a political problem soon became a moral one In the face of vehement pushback from Southern Democrats bent on massive resistance he put the weight of the federal government behind school desegregation and voter registration Bobby Kennedy's youthful energy moral vision and capacity to lead created a momentum for change He helped shape the 1964 Civil Rights Act but knew no law would end racism When the Watts uprising brought calls for more aggressive policing he pushed back pointing to the root causes of urban unrest entrenched poverty substandard schools and few job opportunities RFK strongly opposed the military buildup in Vietnam but nothing was more important to him than the revolution within our gates the struggle of the American Negro for full equality and full

freedom On the night of Martin Luther King s assassination Kennedy s anguished appeal captured the hopes of a turbulent decade In this difficult time for the United States it is perhaps well to ask what kind of nation we are and what direction we want to move in It is a question that remains urgent and unanswered *Landmark Debates in Congress* Stephen W. Stathis,2009 Presents and analyzes numerous pivotal historical debates from the Declaration of Independence to authorizing war with Iraq The Litigation State Sean Farhang,2010-08-02 Of the 1 65 million lawsuits enforcing federal laws over the past decade 3 percent were prosecuted by the federal government while 97 percent were litigated by private parties When and why did private plaintiff driven litigation become a dominant model for enforcing federal regulation The Litigation State shows how government legislation created the nation s reliance upon private litigation and investigates why Congress would choose to mobilize through statutory design private lawsuits to implement federal statutes Sean Farhang argues that Congress deliberately cultivates such private lawsuits partly as a means of enforcing its will over the resistance of opposing presidents Farhang reveals that private lawsuits functioning as an enforcement resource are a profoundly important component of American state capacity He demonstrates how the distinctive institutional structure of the American state particularly conflict between Congress and the president over control of the bureaucracy encourages Congress to incentivize private lawsuits Congress thereby achieves regulatory aims through a decentralized army of private lawyers rather than by well staffed bureaucracies under the president s influence The historical development of ideological polarization between Congress and the president since the late 1960s has been a powerful cause of the explosion of private lawsuits enforcing federal law over the same period Using data from many policy areas spanning the twentieth century and historical analysis focused on civil rights The Litigation State investigates how American political institutions shape the strategic design of legislation to mobilize private lawsuits for policy implementation **Hansard's Parliamentary Debates** Great Britain. Parliament,1882 **Debates on the Federal Judiciary** ,2013 **The Bill of the Century** Clay Risen,2014-04-01 The Civil Rights Act of 1964 was the single most important piece of legislation passed by Congress in American history It gave the government sweeping powers to strike down segregation to enforce fair hiring practices and to rectify bias in law enforcement and in the courts The Act so dramatically altered American society that looking back it seems preordained as Everett Dirksen the GOP leader in the Senate and a key supporter of the bill said no force is more powerful than an idea whose time has come But there was nothing predestined about the victory a phalanx of powerful senators pledging to fight to the death for segregation launched the longest filibuster in American history to defeat it The journey of the Civil Rights Act was nothing less than a moral and political epic a sweeping tale of undaunted activism political courage historic speeches backroom deal making and finally hand to hand legislative combat The larger than life cast of characters ranges from Senate lions like Hubert Humphrey and Strom Thurmond to NAACP lobbyist Charles Mitchell called the 101st senator for his Capitol Hill clout and industrialist J Irwin Miller who helped mobilize a powerful religious coalition for the bill Looming over all was

the figure of Lyndon Johnson who deployed all his legendary skills to steer the controversial act through Congress This critical turning point in American history has never been thoroughly explored in a full length narrative Now New York Times editor and acclaimed author Clay Risen delivers the full story in all its complexity and drama

When Freedom Would Triumph Robert Mann, 2007-09-01 When Freedom Would Triumph recalls the most significant and inspiring legislative battle of the twentieth century the two decades of struggle in the halls of Congress that resulted in civil rights for the descendants of American slaves Robert Mann's comprehensive analysis shows how political leaders in Washington Lyndon Johnson Hubert Humphrey John F Kennedy and others transformed the ardent passion for freedom the protests marches and creative nonviolence of the civil rights movement into concrete progress for justice A story of heroism and cowardice statesmanship and political calculation vision and blindness When Freedom Would Triumph an abridged and updated version of Mann's The Walls of Jericho Lyndon Johnson Hubert Humphrey Richard Russell and the Struggle for Civil Rights is a captivating thought provoking reminder of the need for more effective government Mann argues that the passage of civil rights laws is one of the finest examples of what good is possible when political leaders transcend partisan political differences and focus not only on the immediate judgment of the voters but also on the ultimate judgment of history As Mann explains despite the opposition of a powerful determined band of southern politicians led by Georgia senator Richard Russell the political environment of the 1950s and 1960s enabled a remarkable amount of compromise and progress in Congress When Freedom Would Triumph recalls a time when statesmanship was possible and progress was achieved in ways that united the country and appealed to our highest principles not our basest instincts Although the era was far from perfect and its leaders were deeply flawed in many ways Mann shows that the mid twentieth century was an age of bipartisan cooperation and willingness to set aside party differences in the pursuit of significant social reform Such a political stance Mann argues is worthy of study and emulation today

Judgment Days Nick Kotz, 2005 Opposites in almost every way mortally suspicious of each other at first Lyndon Baines Johnson and Martin Luther King Jr were thrust together in the aftermath of John F Kennedy's assassination Both men sensed a historic opportunity and began a delicate dance of accommodation that moved them and the entire nation toward the historic Civil Rights Act of 1964 and the Voting Rights Act of 1965 Drawing on a wealth of newly available sources Johnson's taped telephone conversations voluminous FBI wiretap logs previously secret communications between the FBI and the president Nick Kotz gives us a dramatic narrative rich in dialogue that presents this momentous period with thrilling immediacy Judgment Days offers needed perspective on a presidency too often linked solely to the tragedy of Vietnam We watch Johnson applying the arm twisting tactics that made him a legend in the Senate and we follow King as he keeps the pressure on in the South through protest and passive resistance King's pragmatism and strategic leadership and Johnson's deeply held commitment to a just society shaped the character of their alliance Kotz traces the inexorable convergence of their paths to an intense joint effort that made civil rights a legislative reality at last despite FBI director J Edgar Hoover's

vicious whispering campaign to destroy King Judgment Days also reveals how this spirit of teamwork disintegrated The two leaders parted bitterly over King s opposition to the Vietnam War In this first full account of the working relationship between Johnson and King Kotz offers a detailed surprising account that significantly enriches our understanding of both men and their time

Whispering the Techniques of Language: An Emotional Quest through **Longest Debate**

In a digitally-driven world wherever displays reign supreme and instant communication drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within phrases often move unheard. However, located within the pages of **Longest Debate** a interesting literary treasure pulsing with raw emotions, lies a fantastic journey waiting to be undertaken. Penned by a talented wordsmith, this charming opus attracts readers on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the cloth of every word. Within the emotional depths of this emotional evaluation, we shall embark upon a sincere exploration of the book is key styles, dissect their captivating writing design, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.
