Renandya, Christine Coombe, Yazid Basthomi, 2018-06-27 This proceedings book

captures a wide range of timely themes for readers to be able to foresee the digital era's impact on English teaching in non-English speaking countries. English used in the global environment, the frequent mobile communication and the use of AI-based translators are bringing about dramatic changes in our English language learning and teaching. Who can provide us the wisdom to know what to do? Those scholars going through these complex environmental changes. A collection of puzzle pieces may bring us a better contour for the future than a perfectly edited book. It's indeed a pleasure reading these insightful pieces to gain wisdom for the future of ELT practices in global contexts.

Inductive or Deductive? Karen Glaser, 2014-10-17. This book presents a longitudinal quasi-experimental classroom study into the effects of inductive and deductive instruction on the acquisition of pragmatic competence in adult English as a Foreign Language learners. Set within the explicit teaching paradigm, it presents the first systematic analysis of the contrast between inductive and deductive teaching methods in instructional pragmatics. Two learner groups were taught about disagreement and offer refusal and their pragmatic skills were.
