1956 and All that Dan Rebellato, 1999 It is said that British Drama was shockingly lifted out of the doldrums by the revolutionary appearance of John Osborne s Look Back in Anger at the Royal Court in May 1956 But had the theatre been as ephemeral and effeminate as the Angry Young Men claimed Was the era of Terence Rattigan and Binkie Beaumont as repressed and closeted as it seems In this bold and fascinating challenge to the received wisdom of the last forty years of theatrical history Dan Rebellato uncovers a different story altogether It is one where Britain s declining Empire and increasing panic over the problem of homosexuality played a crucial role in the construction of an enduring myth of the theatre By going back to primary sources and rigorously questioning all assumptions Rebellato has rewritten the history of the Making of Modern British Drama
