hubs Shea crafts a narrative that encapsulates the intersection of art and existential inquiry reflecting the chaotic yet beautiful experience of artistic creation that has marked his personal and professional journey Look Out for Paint is an essential read for those who seek to understand the depths of artistic expression and human experience Shea s unique perspective and evocative writing create a compelling tapestry that invites readers to reflect on their own interpretations of art and life It is a powerful testament to the notion that in every stroke of paint there lies a story waiting to be uncovered

advising friends and siblings about their relationships being a devoted daughter and a responsible professional person and a good citizen and then one day I woke up and realized I was gay and then this sassy woman walked into my life and I fell in love at first sight after spending my life thinking that never really happened and only watching West Side Story because of the gangs And now I've become the kind of person I used to make fun of who becomes hysterical because her beloved tells her she's dating some woman named Sonya who has an apothecary store in Bethesda Maryland I'm sick of being in this endless rut I'm sick of Cleveland and I'm thinking of moving to Washington DC to be with Terri Rubin who I hate *Watch Out for the Big Girls 3* J.M.
