You Should Quit Reddit Jacob Desforges,2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious

activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit s r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit s flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner Luigi Mangione Lone Wolf Matthew Russell Lee,2024-12-31 For Luigi Mangione s arraignment the press line in the 100 Centre Street courthouse began at 8 am on December 23 2024 But members of the public began outside at 4 30 am Inner City Press was there as it had been for the Federal presentment on December 19 Today with more time to organize there had been a Free Luigi poster complete with QR code there were more people I think he should get a fair trial a woman from New Jersey said from behind her mask I m here because of the cost of health insurance said another Over the weekend a woman had been burned to death after being set on in fire on a subway train in Coney Island A migrant from Guatemala had been arrested Inner City Press might catch his arraignment over in Brooklyn Or would that case too be Federalized Surely that defendant would have no supporters Inner City Press had reported on defendants being sentenced to 20 years or more in prison for lesser crimes than murder with no one else in the courtroom gallery This assassination on video had struck a nerve more so after the Crime Stoppers photos were released It was a tale of comparative crimes of dual prosecutions This is the first book of a series Lone Wolf Not so fast Remain seated The Court Security Officer in the white shift the same one as from the Daniel Penny trial shouts at the journalists and the Luigi Mangione supporters The prosecutors follow Mangione out of the courtroom Kurt Wheelock is trying to get his laptop to fall asleep The orange light remains lit though OK clear out this courtroom is being closed Kurt waits for the elevator with the other journalists The female supporters it seems will ride on other cars In the 100 Centre Street lobby a prisoner is being led in by a policeman his hands cuffed in front of him Stepping through the revolving doors Kurt can see a crowd across the street There is chanting about health care there is a guy standing on a ladder with a Palestinian flag above him Kurt wants to film it He takes out his phone moves his NYC Press Pass to the outside of his jacket The cops in front of the courthouse barely look at him He crosses the street into the press pen in front of the demonstrators Free Luigi they chant
