Look What I See Where Can I Be With My Animal Friends:

My Animal Friends Are My Teachers Nancy Louise Taylor PhD, 2018-03-30 After a group of boys mistreated him a young kitten ran and hid He sat under a bush until he calmed down He did not know what to do As he started to nap he realized there was a human who would help him He looked around until he found her house The young girl sat in her backyard He cautiously walked up to the girl and climbed in her lap The kitten needed her help so he could learn to trust humans again and heal his wounds He knew as cats knew that she needed his help to gain confidence in her ability to help animals and he was to teach her how to trust herself She named the cat Blackie He helped her save some of the birds and other animals when they were injured She helped Blackie recover from the injuries he received when he was in cat fights The cat remained to be her support and companion during these adventures When Blackie realized his time was finished he waited until he knew the next cat was on the way That cat became Natasha and she changed everything **Our Animal Friends**, 1894
