describes a very personal pathway Through it you can learn to love your dog's hunting behavior and to even use it as a chance to develop true friendship between you and your dog You will be sent on an journey accentuated with marvelous pictures By the end of the book you will probably see your dog with new eyes Ambiguity and Film Criticism Hoi Lun Law,2021-02-02 This book defends an account of ambiguity which illuminates the aesthetic possibilities of film and the nature of film criticism Ambiguity typically describes the condition of multiple meanings But we can find multiple meanings in what appears unambiguous to us So what makes ambiguity ambiguous This study argues that a sense of uncertainty is vital to the concept Ambiguity is what presses us to inquire into our puzzlement over a movie to persistently ask why is it as it is Notably this account of the concept is also an account of its criticism It recognises that a satisfying assessment of what is ambiguous involves both our reason and doubt that is reason and doubt can work together in our practice of reading This book then considers ambiguity as a form of reasonable doubt one that invites us to reflect on our critical efforts rethinking the operation of film criticism *Shadows of Foxworth* V.C. Andrews,2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since *Flowers in the Attic* debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth's children learn that family is but destiny by another crueler name As a young girl in France Marlina Hunter's life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn't be closer to She loved her family she just didn't know what her family actually was When a car crash kills their parents Marlina and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they've never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlina yearns for escape But in America you can either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to leave the house Marlina is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree **Life Inside the Asylum** Don Savant,2008-05-17 A Collection of Poetry written by some of the internet's best kept secrets **Women with Disabilities as Agents of Peace, Change and Rights** Karen Soldatic,Dinesha Samararatne,2020-10-29 Drawing on rich empirical work emerging from core conflict regions within the island nation of Sri Lanka this book illustrates the critical role that women with disabilities play in post armed conflict rebuilding and development This pathbreaking book shows the critical role that women with disabilities play in post armed conflict rebuilding and development Through offering a rare yet important insight into the processes of gendered disability advocacy activation within the post conflict environment it provides a unique counter narrative to the powerful images symbols and discourses that too frequently perpetuate disabled women's so called need for paternalistic forms of care Rather

Obscurity Allon White,2023-10-09 Originally published in 1981 this book examines why and how textual difficulty became a norm of modernist literature and questions how we can begin to account for the forms of obscurity and difficulty which developed in the late 19th Century and which became so important to modernism The author argues that the decline of realism entailed the growth of symptomatic or subtextual reading which tended to treat fiction as compromised autobiography This kind of reading left the author dangerously isolated and exposed in the midst of a newly sophisticated public Within this general cultural perspective the book traces the private anxieties that led George Meredith Joseph Conrad and Henry James to conceal themselves within their complex and resistant fictions It discusses opacity in the texts themselves embarrassment and shame in Meredith enigmas in Conrad and the fear of vulgarity and knowledge in Henry James

The Shape of My Eyes Dave Gibbons, 2024-07-23 A riveting and touching memoir about the understanding one's cultural identity from pastor business leader and innovator Dave Gibbons Makoto Fujimura A surprising diagnosis of PTSD led Dave Gibbons to look to his past for clues to explain the unexpected result Born to an American soldier and a Korean mother in the wake of the Korean War Dave has spent his life struggling to blend his Korean roots and his American upbringing The family joins a conservative church that embraces a strict rule based faith and they try to navigate life as one of the few mixed raced families in their community But when tragedy strikes tearing the family apart Dave is forced to face long buried secrets that he can no longer ignore As he explores his family's difficult past he confronts his own pain and the persistent feelings of not quite fitting in either in America or his mother's home country And when a DNA test ultimately reveals a truth that shatters everything he understood about his history he is forced to confront the traumas he unknowingly carried The Shape of My Eyes beautifully weaves historic reference points of the oppression and discrimination against Asian Americans with Dave's own personal story Dave's wrestling with belonging in his family in America and in the church creates a raw thought provoking memoir about race religion and finding home
