James Herbers, 2006 An anthology of religious freedom resources and discussion of the problems of minority faiths where mainline or cultural churches act to harass and prevent the free exercise of minority beliefs especially in collusion with the government Volume 2 will address the specific situation in Germany and Europe in general Baha'i Faith: The Basics Christopher Buck, 2020-11-26 Bah Faith The Basics provides a thorough and accessible introduction to a fascinating independent world religion Examining its historical development current community building efforts and the social contributions of the Bah Faith in the world today this introduction covers Beliefs Bah spiritual teachings Principles Bah social teachings History Bah u ll h and his covenant Scripture Bah sacred texts and inspired guidance Institutions The Bah Administrative Order Building community What Bah s do Social action Bah social and economic development projects Public discourse The Bah International Community Vision Foundations for a future golden age With features including a glossary of terms and references to the Bah writings throughout this is the ideal text for students and interested readers wanting to familiarize themselves with the Bah Faith **Understanding Religion Through Artificial Intelligence** Justin E.

Lane, 2021-05-06 In Understanding Religion through Artificial Intelligence Justin E Lane looks at the reasons why humans feel they are part of a religious group despite often being removed from other group members by vast distances or multiple generations To achieve this Lane offers a new perspective that integrates religious studies with psychology anthropology and data science as well as with research at the forefront of Artificial Intelligence AI After providing a critical analysis of approaches to religion and social cohesion Lane proposes a new model for religious studies which he calls the Information Identity System This model focuses on the idea of conceptual ties links between an individual s self concept and the ancient beliefs of their religious group Lane explores this idea through real world examples ranging from the rise in global

Pentecostalism to religious extremism and self radicalization to the effect of 9 11 on sermons Lane uses this lens to show how we can understand religion and culture today and how we can better contextualize the changes we see in the social world around us

Atlas of Religion in China: Social and Geographical Contexts Fenggang Yang, 2018-09-04 The speed and the scale with which traditional religions in China have been revived and new spiritual movements have emerged in recent decades make it difficult for scholars to stay up to date on the religious transformations within Chinese society This unique atlas presents a bird s eye view of the religious landscape in China today In more than 150 full color maps and six different case studies it maps the officially registered venues of China s major religions Buddhism Christianity Protestant and Catholic Daoism and Islam at the national provincial and county levels The atlas also outlines the contours of Confucianism folk religion and the Mao cult Further it describes the main organizations beliefs and rituals of China s main religions as well as the social and demographic characteristics of their respective believers Putting multiple religions side by side in their contexts this atlas deploys the latest qualitative quantitative and spatial data acquired from censuses surveys and fieldwork to offer a definitive overview of religion in contemporary China An essential resource for all scholars and students of religion and society in China

Islamic Modernism and the Re-Enchantment of the Sacred in the Age of History Monica M. Ringer, 2020-09-04 This book studies the complex relationship of religion to modernity and argues that modernity should be understood as the consequence not the cause of the new intellectual landscape of the 19th century Shows how the adoption of historicism in the 19th century engendered Islamic modernism as a theological reform movement
