Revisions include coverage of significant new research and information regarding the importance of understanding the child's trauma history to his or her well being and successful adjustment in his foster or adoptive family. How do I obtain more information on my child's history? **Two Little Girls** Theresa Reid, 2007-04-03 Theresa Reid chronicles the long often excruciating and ultimately joyous journey that led her to adopt two little girls from Russia and Ukraine in an unforgettable true story of fragile hopes and steadfast love. In Chicago Theresa Reid and her husband had lucrative professional careers and a beautiful home. What was missing from their lives was children. But they knew that in Eastern Europe there were children who were missing parents and they set out to find their family. There were self doubts and gut wrenching fears, mountains of paperwork and nerve wracking interviews, agonizing choices and false starts. There was the painful awareness of thousands of children languishing in poorly funded orphanages waiting with little hope for someone to embrace them and bring them home. And there were byzantine bureaucracies and poverty stricken conditions in the former Soviet Republic where beyond the borders they crossed and the obstacles they navigated with fierce determination two little girls waited. This is Theresa Reid's emotionally candid vividly detailed account of how Natalie and Lana came to be her daughters, a journey into the deepest parts of a mother's heart.
