

Looking Back On My Life-2

**So I look back on my life
trying to find a happy moment
to block out the pain
to have something to think about
well they yell
yell about me
yell about my mistake
yell about my life
he blames me**

**she blames him
I blame them
But I can't think of a moment
not of one time I was happy
all I remember is pain
tears
stress
depression
suicidal thoughts
anger
why? Why was I never happy?**

**Why was I always crying?
Why was I always stressed?
Why was I always depressed?
why was i always anger?
Why was I always thinking suicidal thoughts?**

Looking Back On My Life:

Understanding My Life Backwards Robert Voelker, 2011-03-01 My own spiritual autobiography **Therapeutic Journaling** Priscilla Sobremonte, 2018-04-20 Therapeutic Journaling Making Sense of My Life is unique as it guides the reader writer to document their life experiences and journey The purpose of therapeutic journaling is for the user you to look explore objectively at your life experiences that have impacted the creation and growth of your emotional mental physical and spiritual uniqueness The questions help guide you in a fact finding direction to aid you in a systematic process to look at where you have been The Words of My Life Christina Marra, 2016-06-30 Vivid at times raw with emotion and dripping with sentiment Christina Marra traces the timeline of her life with soulful imagery and profound emotion She speaks of relatable experiences using the poetry she calls the Words of Her Life Marra begins with the birth of self and traces the development of her thoughts and feelings as she experiences love life and a full range of emotions during her adolescence and into her adulthood She exasperates the development of self through profound images that speak to the very heart of your soul She speaks of family upbringing dreams and love She speaks of the foundation of emotions that she associates with every aspect of her living She questions learned truths and visits the very nature of her being Marra finds herself in her writings and through her loving accepts the woman she is today *The Reality of My Life* Carol Royce, 2010 This book is a full account of my life over 59yrs It might not seem long to most people but when confused and at a loss as to what to do it is a life time I hope it shows how letting life s excitement rule instead of dealing with my condition totally wrecked my life *Stained Glass - Bits and Pieces of My Life* Craig C. Johnson, 2017-02-15 Each of our lives is a stained glass window in the making The most satisfying experience I have is seeing people embrace God s plan for them to begin to see something beautiful emerge from all the disjointed bits and pieces of their often severely troubled lives I ve collected a number of my own bits and pieces here often broken fragments becoming part of the window of my life Some dark Some brilliant Some warm Some cold I trust all will become something beautiful in the end *Saqiyuq* Nancy Wachowich, Apphia Agalakti Awa, Rhoda Kaujak Katsak, Sandra Pikujak Katsak, 1999 Through the storytelling in Saqiyuq Apphia Rhoda and Sandra explore the transformations that have taken place in the lives of the Inuit and chart the struggle of the Inuit to reclaim their traditional practices and integrate them into their lives BOOK JACKET From My Life Friedrich Nietzsche, 2024-05-09 This is a journal from his earliest years taken from his autobiographical notes It is a wistful deeply nostalgic commentary on his childhood his memories of going to church encountering music sometimes these notes are published as a separate work On Music and his large Protestant family It is openly theistic romantic in style and reminiscent of the Goethe Schiller age in which the young Nietzsche grew up In 1858 he wrote an addendum titled looking back which is included here These journals were first published in the volume *Gesammelte Werke* edited by Peter Gast a pseudonym for Heinrich K selitz a close associate of Nietzsche and Elisabeth F rster Nietzsche Nietzsche s sister They were included in the second series of these

collected works under the title *Philologica* which was published in 1897 and several editions after that This was part of the effort to compile and publish Nietzsche s unpublished manuscripts and lecture notes after his death This critical reader s edition presents a modern translation of the original manuscript crafted to help the armchair philosopher engage deeply with Nietzsche s works through clean contemporary language and simplified sentence structures that clarify his complex ideas Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Nietzsche s history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and Phenomenology a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy Contemplations Through The Fog of my Life Joseph Lange,2018-10-10 Contemplation s through the Fog of My Life is the third book in the Thoughts trilogy and follows Thoughts from a Treestand and Wisdom s Harvest East of Smallville The trilogy contains thoughts and observations from a lifetime of living in a small rural Wisconsin hamlet along with nine brothers and sisters and a single mother We were rich in love and grew up with the knowledge of what is important in this life and what is not Be careful out there **My Life** Iris M Ford,2017-10-04 Hi friends and strangers I hope you will enjoy reading this book which I have written about my life You may identify with some of it yourself Have you been to Bermuda or Vancouver Island If not dream along with me friends as this story of mine is true Canada is a great country and as I worked all over it I learned many things one of which was how we accept each other Enjoy *It's My Life and I'll Cry if I Want Too* Kimberly D. Holmes,2017-05-12 It s My Life and I ll Cry If I Want Too The Diary of a Bipolar Woman is a riveting account of one woman s journey through mental illness It s about the valleys that Kimberly Holmes endured and the mountains that she climbed in order to understand herself and her illness Kimberly chronicles her tumultuous confrontations with death and heartening resolutions in finding the will to live She recounts her relationships and there most chaotic outcomes Kimberly writes openly about her promiscuity drug abuse criminal history and insight into her battle with bipolar disorder a mental disease that nearly destroyed her life Kimberly s personal account of her mental illness reveals a stark realistic view of the disease so that her readers may understand its magnitude Stories of My Life Linda Anne Eaton,2013-06-17 Inspirational stories and poems based on the life experiences of a Christian wife and mother **My Life, My Journey, My Soul** Doreen Gravelle,2018-01-03 I dedicate this book to my father and mother Without them I would not have become the person I am I was born in 1938 to a wonderful set of parents my mother and father were people who gave of themselves They instilled so many virtues in me that I am very thankful for To my family who had to put up with me through the good times and the bad To everyone that I have met along the way while I was following my life s path And most of all to God whose help has given me the desire for knowledge and the courage to follow my heart Without that I would not have accomplished the things I ve done *Getting to know God* Andrés Ramírez,2020-06-09 Look for answers based on personal experiences and real events to questions such as Does God Exist

Hart,Jacqueline M. Martinez,2020-12-23 New Understandings of Twin Relationships takes an experience based approach to exploring how twin attachment and estrangement are critical to understanding the push and pull of closely entwined personal relationships Based on the research expertise of each of the authors all identical twins in their own right and vignettes from twins across the globe this book describes the inner workings of the twin world showing how the twin world creates experiences that are often more intense and intricately textured than those in the singleton world Chapters debunk myths surrounding twinship and analyze the developmental stages of the twin relationship as well as the effect of being a twin on one s mental health from different perspectives The authors articulate how attachment separation anxiety loneliness estrangement and the subjective experience of the twin and non twin other impact behavior thinking and feeling Through its careful study of the many psychological challenges that twins face throughout their lifetime this text will help psychologists scholars clinicians and twins themselves attain a deeper understanding of all interpersonal relationships *My Life- My War- World War 2* Stanley B. Loomis,2010 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don t really care how many people are killed nor how many families are losing a father mother or brothers or whole families and their relatives Sometimes it is necessary to start a war by a peaceful nation against countries tat are harming

and have the publically displayed their intentions to extend their borders by taking land from established country s land and people This I would consider declaring a war to be the only necessary solution to the problem but still a war with people getting maimed and killed In World War One Germany was the problem once again lust for power I wasn t even thought of at that period of time in fact I hadn t even arrived on the scene at that point of time But think about it for a moment there s not one inch of land that has increased in size in those thousands of years of civilization and wars I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains It gave us young kids a reason to become killers hesitate for a second and you re dead Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population It is most certainly a true statement
