Looking Beyond:

Looking Beyond James Van Praagh, 2010-04-06 Who Do You Think You Are Have you ever wondered who you really are and what you are doing here Believe it or not the simple truth is that everything you want to know is already inside you Renowned psychic and bestselling author James Van Praagh has learned a lot through his amazing ability to communicate with the spiritual realms and in *Looking Beyond* he shares with teens what the spirits have taught him including The real deal about soulmates hint you have more than one Why you have the parents you do What the heck spirit guides are and how to use them How dreams can increase your creativity Ways to develop your sixth sense The lessons you were born to learn *Looking Beyond* gives you the tools you need to uncover the power strength and talent to fulfill your unique destiny If you would like to begin the journey to discover the real you the person you are meant to be just turn to page one and let Van Praagh show you the way

Looking Beyond Traumeur, 2019-05-27 Sometimes just by reflecting upon our own immediate behaviour we make odd observations that lead to personal truths which may interest those who are convinced that we get ahead by being honest with ourselves and generous to those around us Autobiographic hints here and there suitably disguised in the interest of humanity in general work as triggers for portions of wisdom presented mostly in the form of story telling

Looking Beyond Rosemary Johnson, 2020-05-14 *Looking Beyond Invitation to Understanding Global Sustainability* By Rosemary Johnson *Looking Beyond Invitation to Understanding Global Sustainability* encourages all humans to realize that each of us shares a responsibility for the present environmental crisis A combination biography with personal passion and research Rosemary Johnson will inspire you to expand your way of thinking emphasizing that one person can make a difference in the world even you

Looking Beyond Lin Yutang, 2018-09-03 WITH HUMOR AND COMMON SENSE A MODERN PHILOSOPHER SHOWS MANKIND A WAY TO THE GREATER ENJOYMENT OF LIVING In the year 2004 the heroine an anthropologist lands on an unknown and isolated Pacific island Her plane is destroyed so the renamed Eurydice finds herself compelled to join the Ruined Earth Utopian islanders In this gripping novel which was first published in 1955 Chinese U S author essayist and academic Dr Lin Yutang s appears to formulate his conception of a world beyond the muddling of today in a world that has survived two more world wars and inaugurated a new Democratic World Commonwealth outside the limitations of national sovereignty He makes the contact between this groping old world and an island community dedicated to peace isolation and immunity from world ills exalting the virtues of culture and surviving in a state of suspended animation with little or no government

Looking Beyond Borderlines Lee Rodney, 2016-12-19 American territorial borders have undergone significant and unparalleled changes in the last decade They serve as a powerful and emotionally charged locus for American national identity that correlates with the historical idea of the frontier But the concept of the frontier so central to American identity throughout modern history has all but disappeared in contemporary representation while the border has served to uncomfortably fill the void left in the spatial imagination of American culture

This book focuses on the shifting relationship between borders and frontiers in North America specifically the ways in which they have been imaged and imagined since their formation in the 19th century and how tropes of visibility are central to their production and meaning Rodney links ongoing discussions in political geography and visual culture in new ways to demonstrate how contemporary American borders exhibit security as a display strategy that is resisted and undermined through a variety of cultural practices

Looking Beyond the Runway Nawal K. Taneja, 2016-12-05 The global airline industry facing significant changes and discontinuity is prompted and forced to deal with a new normal Who would have imagined a few years ago that a significant percentage of consumers in the US now prefer to fly low cost airlines instead of full service airlines because they perceive the product to be better airlines would generate up to a third of their total income from non ticket revenue many low cost airlines would add complexity to their original simple business models through the development of code share agreements the use of global distribution systems and travel agents to distribute their seats Jetstar a low cost subsidiary of Qantas would grow faster and be more profitable than its parent a survey carried out by Ryanair would show that 42 percent of passengers would be willing to stand on short one hour flights if they could pay 50 percent less than seated passengers passengers could pay as little as US 2 000 for a transatlantic Business Class ticket on top brand airlines Lufthansa would have ownership in airlines based in Austria Belgium Italy Switzerland Turkey the UK and the US and that it would continue to pursue equity ownership in airlines based in Poland and Scandinavia or the Japanese and Canadian governments would struggle to find different ways to bail out their heretofore flag carriers To deal with this upcoming new normal airlines have to go beyond their short term circumstantial strategies they need strategic renewal of their ageing business model In this candidly written book Nawal Taneja explains what will separate the winners from the losers He maintains the leaders will be the airlines that 1 exploit this crisis driven change to their best advantage 2 learn to work around the airline inherent constraints that prevent them from running their businesses just like other businesses 3 learn from successes and failures of other global enterprises 4 sharpen their business intelligence analytics and strategic agility and 5 proactively explore the pockets of growth in this emerging markets century To help airline executives become informed of new competitive games the author analyzes numerous business sectors such as auto hospitality retail technology and entertainment For example relevant lessons can be learned from the strategic mistakes made by the US automakers Likewise emergent and compelling insights can be gained in superior customer experience from Ritz Carlton and Zappos and in value creating innovation from Cirque du Soleil and Zipcar The book also features a multitude of forewords from airlines and related businesses to provide readers with multiple perspectives on the changing landscape in the global airline industry Nawal Taneja is a career analyst of the global airline industry with wide ranging experience in the aviation industry academia and public policy Encouraged by industry executives he has written five other books for practitioners in the global airline industry including FASTEN YOUR SEATBELT The Passenger is Flying the Plane and Flying Ahead of the Airplane

Looking Beyond the Mask Nancy Brown Diggs, 2016-02-24 Looking Beyond the Mask focuses on the personal stories of the growing number of American women who despite vast cultural differences and sometimes because of them are married to Japanese men Although the problems encountered in such marriages are similar to those found in any union there are cultural implications that can exacerbate almost any of them Potential areas of conflict are examined such as in laws customs and manners values living conditions religion communication sex and gender and raising children The book deals with meeting such challenges and attempting to look beyond the cultural masks to see the real people behind them The women in question stress the importance of commitment a flexible attitude a strong sense of identity a support network a sense of perspective and a sense of humor They also reveal the benefits of these marriages including a greater appreciation for Japanese ways and the opportunity to continually grow and learn Based on extensive research the book provides a new look at Japan from the unique perspective of those American women most intimately involved with its culture Looking Beyond the Horizon William R. Sutton, Jitendra P. Srivastava, James E. Neumann, 2013-04-04 The risks and opportunities of climate change for agriculture can be effectively dealt only by aligning policies developing institutional capabilities and investing in infrastructure and farms as per the experiences of Albania FYR Macedonia Moldova and Uzbekistan **Looking Beyond Self** LoRee Peery, 2024-05-17 God has asked us to lay our worries at His feet so that His grace and compassion can get us through troubles Reflection during the midst of pain is often cleansing giving us a different perspective in our walk with Jesus In Looking Beyond Self join the author as she pours out her worries sorts through her feelings reflects on worldly things and through verse worships the strong stalwart Presence Who brings peace in troubling times **Looking Beyond the Ivy League** Loren Pope, 2007-12-18 The celebrated book that revolutionized the way Americans choose colleges now fully revised and updated An invaluable guide with virtually no competition this book helped to establish Loren Pope as one of the nation's most respected experts on the college application process Now fully revised and updated Looking Beyond the Ivy League offers a step by step guide to selecting the right institution a checklist of specific questions to ask when visiting a college the secrets to creating good applications and good applicants and much more With as few as one third of college students remaining at the institution they entered as freshmen finding the right college is harder than ever before This book makes it easier for students and their parents **Looking Beyond Race** Otis Milton Smith, Mary M. Stolberg, 2000 In Looking Beyond Race Otis Milton Smith recounts his life as an African American who overcame poverty and prejudice to become a successful politician and eventual president of General Motors In Looking Beyond Race Otis Milton Smith 1922-94 recounts his life as an African American who overcame poverty and prejudice to become a successful politician going on to become the first black vice president and general counsel of General Motors Born in the slums of Memphis Tennessee Smith was the illegitimate son of a black domestic worker and her prominent white employer Although he identified with his mother's blackness he inherited his father's white complexion This left him open to racism from whites who resented his African

American heritage and blacks who resented his skin color Throughout his life Smith worked with and met many prominent Americans He knew boxer Joe Louis future general Daniel Chappie James future Detroit mayor Coleman Young and the nation's first African American general B O Davis Jr Through politics he knew Michigan's prominent politicians and was appointed by Governor John Swainson to the Michigan Supreme Court making him the first black man since Reconstruction to sit on any supreme court in the nation Smith also knew nationally known figures such as Eleanor Roosevelt Adam Clayton Powell Jr Estes Kefauver and presidents John F Kennedy and Ronald Reagan Through his civil rights work he met A P Tureaud Roy Wilkins and Benjamin Hooks and he worked closely with Vernon Jordan Looking Beyond Race provides a rare glimpse into the inner workings of America's largest corporation Smith was an early advocate of the increased cooperation between business and government that was so necessary for business negotiating the complexities of a global economy In 1983 he retired as general counsel for the corporation having been the company's first black officer This memoir which Smith dictated during the three years before his death in 1994 is a compelling tale that ends with the inspirational story of Smith's reconciliation with his white relatives who still live in the South In this highly readable memoir Looking Beyond Race provides a moving tale that will appeal to readers interested in African American history politics labor relations business and Michigan history

Looking Beyond the Highway Claudette Stager, Martha Carver, 2006 Looking beyond the Highway is an examination of road history and roadside attractions specific to the South Focused in part on numerous aspects of the material culture landscape of the Dixie Highway the essays consider the politics of roadbuilding roadside entertainment the buildings and businesses one might encounter along the road and regional adaptations to the needs and desires of northern tourists Following the Dixie Highway from southern Illinois to Florida with sidetrips down other southern roads the essays cover a wide variety of subjects many of which will resonate with anyone who has ever lived in or vacationed in the South Harrison Mayes's Get Right With God signs the park and pray craze of outdoor drive in church services the rise and demise of brick highways the fierce political battle over the route of the Dixie Highway beach music and the evolution of motel architecture in Myrtle Beach Florida's early tourist towers and the commercial development of Tennessee caves as tourist attractions Covering a landscape that includes Tennessee Georgia North Carolina Florida Mississippi Indiana Virginia Arkansas Ohio Kentucky Alabama and Illinois the anthology shows that there was and still is a distinctive southern culture and how roads have influenced that culture As lively as they are diverse the articles provide a solid background for understanding roadside ephemera that have disappeared or are quickly disappearing Ranging from the serious to the light hearted and including descriptions of American road and roadside icons to kitsch the book will appeal to anyone with an interest in road history and roadside architecture

Looking beyond the Text, 2025-02-13 Looking beyond the Text investigates the production transmission and reception of texts and manuscripts in ancient Egypt focusing on the complex practices and culture of the scribes who made them Drawing on theories and methods from other disciplines such as literary

studies neuroscience and book history the authors discuss the physical practices of writing social contexts of texts and manuscripts and scribes themselves The papers examine a wide range of manuscripts including letters medical compendia poems religious corpora and other text genres written on varied media in different time periods The resulting collection offers new perspectives on the key role of scribes in ancient Egypt and models more contextualized and materially informed modes of philology

Looking Beyond Suppression Erika Gebo, Brenda J. Bond-Fortier, 2012-05-31 This edited book significantly contributes to the knowledge on how to address gang problems from a broad community perspective which takes into account criminal justice agencies social service providers and community leaders along with police who have implemented collaborative anti gang policies and practices As community wide efforts become more common it is increasingly important to investigate effective strategies to address social problems

Beyond Suppression Community Strategies to Reduce Gang Violence explores a demonstration project of one state s efforts to reduce gang and youth violence through use of a comprehensive initiative the Comprehensive Gang Model CGM The relevance of the CGM as a conceptual framework to guide gang policy and practice is illustrated throughout the book and tailored gang reduction strategies derived from that framework and rooted in the ecological constitution of communities are showcased The chapters highlight implementation strategies employed by various communities using a case study methodology that assists in garnering an in depth perspective of implementation issues and key dimensions of the CGM This book answers important questions about how communities operationalize the CGM The results of these investigations are important for scholars learners and practitioners who seek to address gang violence using a customized response

Looking Beyond Profit Peggy Chiu, 2016-05-06 In this revealing book Peggy Chiu argues against the common belief that maximizing wealth is the primary concern of ordinary small shareholders when they make their share buying decisions This fascinating in depth study of small shareholders provides both theoretical and empirical insights into their personal values and attitudes to corporate social responsibility CSR The author establishes that personal values are a major influence on decisions about the type of investments people make and about which companies they choose to invest in Financial risk and return are far from being the only factors that determine small shareholders investment decisions irresponsible behaviour is not acceptable and will not attract investment from this significant group

Looking Beyond Profit is an essential book not just for encouraging investment managers to look more closely at their environmental impacts but for finance advisers and all concerned with corporate governance either as practitioners researchers business educators or students

Looking Beyond the Structure Dan Bucsesu, Michael Eng, 2009-11-20 In Looking Beyond the Structure architect Dan Bucsesu and philosopher Michael Eng record their conversations about the relationship of the built environment and other forms of design to the culture in which they are created The authors exchange their interpretations of selected readings about design theory and invite the reader to join in the discussion Questions following each chapter s reading stimulate critical thinking about the

philosophies and theories of design and additional assignments encourage students to express their critical thinking skills visually
