Looking For Chet Baker:

Looking for Chet Baker Bill Moody, 2002-03-01 When his friend Ace Buffington vanishes while writing a biography of the late trumpeter Chet Baker who died mysteriously in 1988 musician Evan Horne turns sleuth to unravel the mystery of Chet Baker's death and to find his missing friend before it is too late

Looking for Chet Baker Bill Moody, 2011-05-27 Pianist Evan Horne's European interlude lands him a gig in Amsterdam where the old jazz clubs are alive and well But here he unexpectedly finds himself reliving the last days of legendary trumpeter Chet Baker who died under mysterious circumstances Did Baker fall from a hotel balcony or was he pushed The answers lead Horne on an odyssey into one of the greatest mysteries of the jazz world and beyond Horne's longtime buddy Ace Buffington in Amsterdam researching the late jazz great's life and tragic death has disappeared Ace's trail parallels that of Baker's last days so Horne does what he does best improvise He finds himself following the same path into Baker's dark even dangerous past and confronting his own deep rooted melancholy In the smoky clubs and on the mean exotic streets of Amsterdam Horne hits all the right notes in a world where playing it by heart can make you a legend as easily as it can get you killed

new lines of enquiry It is organized around six themes I Historical Perspectives II Methodologies III Core Issues and Topics IV Individuals Collectives and Communities V Politics Discourse and Ideology and VI New Directions and Debates **Chet Baker** Chet Baker,1989 *Jazz and Death* Walter van de Leur,2023-05-12 Jazz and Death Reception Rituals and Representations critically examines the myriad and complex interactions between jazz and death from the New Orleans jazz funeral to jazz in heaven or hell final recordings jazz monuments and the music s own presumed death It looks at how fans critics journalists historians writers the media and musicians have narrated mythologized and relayed those stories What causes the fascination of the jazz world with its deaths What does it say about how our culture views jazz and its practitioners Is jazz somehow a fatal culture The narratives surrounding jazz and death cast a light on how the music and its creators are perceived Stories of jazz musicians typically bring up different tropes ranging from the tragic misunderstood genius to the notion that virtuosity somehow comes at a price Many of these narratives tend to perpetuate the gendered and racialized stereotypes that have been part of jazz s history In the end the ideas that encompass jazz and death help audiences find meaning in a complex musical practice and come to grips with the passing of their revered musical heroes and possibly with their own mortality *Book Lust* Nancy Pearl,2009-09-29 What to read next is every book lover s greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of litterateurs with *What If* All name the city Read the Same Book has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl s enthusiasm and taste shine throughout **Music, Movies, Meanings, and Markets** Morris Holbrook,2012-01-25 *Music Movies Meanings and Markets* focuses on macromarketing related aspects of film music in general and on the cinemusical role of ambi diegetic jazz in particular The book examines other work on music in motion pictures which has dealt primarily with the traditional distinction between nondiegetic film music background music that comes from off screen and is not audible to the film s characters to further the dramatic development of plot character or other themes and diegetic music source music produced on screen and or that is audible to the film s characters adding to the realism of the mise en sc ne without contributing much to other dramatic meanings This book defines describes and illustrates another hitherto neglected type of film music ambi diegetic film music which appears on screen but which contributes to the dramatic development of plot character and other themes Consistent with an interest in macromarketing such ambi diegetic film music serves as a kind of product placement suitable for commercialization via the cross promotion of soundtrack albums for example and plays a role in product design It also provides one type of symbolic consumer behavior that indicates choices made by film characters when playing singing listening or dancing in ways that reveal their personalities or convey other cinemusical meanings Morris Holbrook argues that ambi diegetic film music sheds light on

various social issues such as the age old tension between art and entertainment as it applies to the contrast between creative integrity and commercialization Music Movies Meanings and Markets explores the ways in which ambi diegetic jazz contributes to the development of dramatic meanings in various films many of which address the art versus commerce theme as a central concern *Sequels* Janet G.
