these possible dads turns out to be Natsuyuki's half brother abandoned and forgotten long ago as easily as Tama has parted with her kittens. A fast and comedic novel, *Oh Tama* plays out against a backdrop of cramped apartments and cheap food and drink where everyone seems to have an opinion on film photography and fashionable French art theory. It is part of the author's esteemed series of Mejiro novels named after the northwest area of Tokyo that so richly informs their urbanity and outlook.
