Looking Back on a Half Century William J. Larkin, 2014-08-05 Sixty two stories about growing up in Worcester MA around the turn of the 20th century written by William J Larkin a first generation Irish Catholic who for over fifty years made his career reporting on Worcester news The stories were first published in a Worcester Evening Post newspaper column called Looking Back on a Half Century in 1935 This version includes an introduction forward and biography of William J Larkin

Looking Back R.F Giles, 2013-10 Dingoes proved a real menace there so the family moved to Capella where they purchased the Paramount Theatre and a small cattle station before winning a land ballot off the failed Queensland British Food Corporation He then married and moved to the Gold Coast then to Brunswick Heads and to another theatre Television caused a recession in that so he went out as a deck hand on a trawler and cut timber before selling out and returning to the bush He then took a position with British Petroleum being granted the whole of Cape as his territory He then bought a produce agency and Stock Agency at Bowen in Queensland buying several cattle and sheep stations until a car accident killed his partner so he sold out and bought charter boats operating them from Brisbane to Thursday island but after losing a deckhand retired from that and went back into business in Bowen

Looking Back to the Future Griselda Pollock, 2014-04-08 In this selection of recent essays Pollock insightfully engages all major areas of contemporary theory especially focusing on sexed subjectivities post colonialism and Marxist informed history In her commentary Penny Florence places Pollock s critique of modernism art history and criticism within the context of the social political and ideological developments that have taken place since the 1970s Florence recognizes in Pollock s work a critical model that moves beyond the contradictions that take place within the history of art Pollock s own essays and Florence s commentary elaborate the complexities in evaluating this prominent theorist and feminist whose work demands a capacity to sustain contradiction

Inhabiting Contemporary Southern and Appalachian Literature Casey Clabough, 2012-08-26 The idea of place any place remains one of our most basic yet slippery concepts It is a space with boundaries whose limits may be definite or indefinite it can be a real location or an abstract mental spiritual or imaginary construction Casey Clabough s thorough examination of the importance of place in southern literature examines the works of a wide range of authors including Fred Chappell George Garrett William Hoffman Julien Green Kelly Cherry David Huddle and James Dickey Clabough expands the definition of here beyond mere geography offering nuanced readings that examine tradition and nostalgia and explore the existential nature of place Deeply concerned with literature as a form of emotional intellectual and aesthetic engagement with the local and the regional Clabough considers the idea of place in a variety of ways as both a physical and metaphorical location as an important factor in shaping an individual informing one of the ways the person perceives the world and as a temporal as well as geographic construction This fresh and useful contribution to the scholarship on southern literature explains how a text can open up new worlds for readers if they pay close enough attention to place

Looking Back James F.

Queenan, 2011-08-11 Judge Queenan tells a very human story of his life family and travels withholding no family secrets Included is an account of his diverse and evolving career as a lawyer who handled business transactions drafted estate plans tried cases and at the end found greatest satisfaction in representing corporations reorganizing under chapter 11 He tells of the losing party in one case sending a bomb in the mail to his client We also learn of the disastrous results of a Ponzi scheme that used ruses similar to those of Bernard Madoff Judge Queenans high values and commitment to due process of law are apparent throughout He is still troubled by the prejudicial effect of the press conferences held by the district attorney in the Brinks armed robbery case which came before the Supreme Judicial Court of Massachusetts when he was a young law clerk with the court In giving an account of his years on the bench a time when he was also teaching in law school Judge Queenan makes law and trials understandable to the layman He rejects the notion that bankruptcy is a refuge for the dishonest and lazy and he decries the countrys toxic fascination with debt taking special aim at abusive leveraged buy outs of corporations He recalls memorable witnesses and lawyers tells how he determined who was lying and explains what he did to reduce the length of trials Perhaps most informative of all he describes how a judge makes law rather than just grabbing a rule off the shelf A former campaign worker for Robert Kennedy Judge Queenan shows his passion for politics He gives a critique of the Supreme Courts 2000 decision in Bush v Gore which handed the presidency to George W Bush As one who demonstrated against the war in Iraq before the war began he examines the wars terrible consequences and traces its long political fallout that contributed to the election of Barack Obama for whom the judge delivers a unique panegyric *Looking Backward, 2000 to 1887* Edward Bellamy, 2016-06-20 Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject Warned by a teacher s experience that learning is accounted a weariness to the flesh the author has sought to alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of

interest on its own account The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr Leete s explanations of them rather trite but it must be remembered that to Dr Leete s guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him One word more The almost universal theme of the writers and orators who have celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny This is well wholly well but it seems to me that nowhere can we find more solid ground for daring anticipations of human development during the next one thousand years than by Looking Backward upon the progress of the last one hundred That this volume may be so fortunate as to find readers whose interest in the subject shall incline them to overlook the deficiencies of the treatment is the hope in which the author steps aside and leaves Mr Julian West to speak for himself Souls Looking Back Andrew Garrod,Janie Victoria

Ward,Tracy L. Robinson,Robert Kilkenny,2002-09-11 Most of what is written these days about young black men and women emphasizes incarceration and mortality rates teen pregnancy drug use and domestic strife This collection of sixteen autobiographical essays by African Americans Africans in America Afro Caribbean and biracial college students who have tackled significant obstacles to achieve success and degrees of self understanding offers a broader more hopeful portrait of the adolescent experiences of minority youth Here are emotionally honest and reflective stories of economic hardship racial bias loneliness and anger but also of positive role models spiritual awakening perseverance and racial pride In these essays students explore the process of self discovery and the realization of cultural identity The pieces are accompanied by commentary from prominent African American scholars such as Jewelle Taylor Gibbs and Peter C Murrell Jr Together they create a vivid portrait of what it is like to grow up as a black person in America and offer a springboard to current debates about self discovery cultural identity and assimilation Often raw and painful always honest and affecting this collection of personal stories written by young people stands as an eloquent tribute to the courage of today s youth and to the power of their own words **Looking Backward from 2000 to 1887** Edward Bellamy,2025-08-30 Reproduction of the original The

British Machinations and (B)uganda's Struggle for Independence** Apollo N. Makubuya,2019-01-17 In the scramble for Africa Britain took a lion s share of the continent It occupied and controlled vast territories including the Uganda Protectorate which it ruled for 68 years Early administrators in the region encountered the progressive kingdom of Buganda which they incorporated into the British Empire Under the guise of protection indirect rule and patronage Britain overran plundered and disempowered the kingdom s traditional institutions On liquidation of the Empire Buganda was coaxed into a problematic political order largely dictated from London Today 56 years after independence the kingdom

struggles to rediscover itself within Uganda's fragile politics Based on newly declassified records this book reconstructs a history of the machinations underpinning British imperial interests in B Uganda and the personalities who embodied colonial rule It addresses Anglo Uganda relations demonstrating how Uganda's politics reflects its colonial past and the forces shaping its future It is a far reaching examination of British rule in B uganda questioning whether it was designed for protection for patronage or for plunder **The New American West in Literature and the Arts** Amaia

Ibarraran-Bigalondo,2020-05-12 The story of the American West is that of a journey It is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth The story of the American West has similarly journeyed across boundaries in a two way movement sometimes feeding the idea of that myth sometimes challenging it This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints The volume originates in Europe in Spain where the myth traveled was received assimilated and re presented It intends to travel back to the West in a two way cross cultural journey which will hopefully contribute to the delineation of the New always self renewing American West It includes the work of authors of both sides of the Atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the American West *Looking Backward* Edward Bellamy,2020-12-01 Julian West is an aristocrat in 19th century America He has all that he would ever need a happy engagement wealth and a pleasant place to live Because of his comfortable place in society Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt One day to calm himself he decides to be put in a hypnotic sleep by his doctor in his own underground bunker This was routine for Julian but when tragedy in the form of a fire strikes Julian is presumed dead and left in the bunker A century later Julian is found but wakes to a world he could never predict With the help of the man that found him Doctor Leete and Leete's daughter Edith Julian becomes familiar with the 20th century American reality of equality between the sexes the abolition of poverty free education and fair working conditions Julian must then accept recognize his unempathetic views of the past now understanding that life is better when people of all genders classes and race can be happy But when Julian finds himself back in the 19th century he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream *Looking Backward* was one of the most commercially successful novels of the 19th century and upon its publication inspired mass political movement With the portrayal of the 20th century Bellamy advocates for equality and rejects war and capitalism By depicting a happy working environment where citizens had the freedom to choose their occupations receive fair wages and are able to retire at a reasonable time Bellamy raises awareness for the working class *Looking Backward* has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today This edition of *Looking Backward* by Edward Bellamy features a striking new cover design and is reprinted in a readable font With these changes the compelling

plot and insight of Looking Backward is accessible and worthy of conversation
