Looking For Dilmum

Michael Rice

Looking For Dilmun:

Looking for Dilmun Geoffrey Bibby, 1970 Dilmun was a land which stretched beyond the confines of Bahrain as far north as Kuwait and as far south as Saudi Arabia The quest for the real Dilmun began when the author revisited Bahrain in order to explore the thousands of undated burial mounds scattered across the country A seasons digging established the existence of a major civilisation dating from around 2300 BC First published in 1969 this fascinating book of discovery tells the story of archaeological detective work with style and humour It is re issued here for a new generation of readers and introduced by Carl Phillips one of the leading archaeologists of the region *Looking for Dilmun* Brenda Jackson, Penguin Books

Staff, Ronald L McDonald, 1974-10-15 The Boundless Sea David Abulafia, 2019 A sweeping history of the world through its oceans and seas and their interconnections **Looking for Dilmun** Thomas Geoffrey Bibby (archeoloog), 1969 *In*

Search of the Cradle of Civilization Georg Feuerstein, Subhash Kak, David Frawley, 2005-01-01 The book shows that the ancient Indians were no primitives but possessed a high spiritual culture which not only influenced the evolution of the Western world in decisive ways but which still has much to teach us today India s archaic spirituality is codified in the rich symbols metaphors and myths of the magnificent Rig Veda which is shown to be much older than has been widely assumed by scholars The present book also unravels the astonishing mathematical and astronomical code hidden in the Vedic hymns Anyone interested in ancient cultural history India archaeo astronomy or spirituality will find this well researched and cross cultural work spellbinding and enriching **The Sumerian World** Harriet Crawford, 2013-08-29 The Sumerian World

explores the archaeology history and art of southern Mesopotamia and its relationships with its neighbours from c 3 000 2 000BC Including material hitherto unpublished from recent excavations the articles are organised thematically using evidence from archaeology texts and the natural sciences This broad treatment will also make the volume of interest to students looking for comparative data in allied subjects such as ancient literature and early religions Providing an authoritative comprehensive and up to date overview of the Sumerian period written by some of the best qualified scholars in the field The Sumerian World will satisfy students researchers academics and the knowledgeable layperson wishing to understand the world of southern Mesopotamia in the third millennium *Cultural Heritage in the Arabian Peninsula* Karen

Exell, Trinidad Rico, 2016-04-22 Heritage projects in the Arabian Peninsula are developing rapidly Museums and heritage sites are symbols of shifting national identities and a way of placing the Arabian Peninsula states on the international map Global i e Western heritage standards and practices have been utilised for the rapid injection of heritage expertise in museum development and site management and for international recognition The use of Western heritage models in the Arabian Peninsula inspires two key areas for research which this book examines the obscuring of indigenous concepts and practices of heritage and expressions of cultural identity and the tensions between local community concepts of heritage and identity and the new national identities being constructed through museums and heritage sites at a state level **The**

Economic Development of the United Arab Emirates (RLE Economy of Middle East) Ragaei el Mallakh,2014-10-30

Since the early 1970s the oil producing countries of the Gulf have become a focus of intense interest worldwide. Most of this interest has centred on the oil giants Saudi Arabia, Iran, even Iraq and Kuwait. Yet the United Arab Emirates is also among the largest producers on a par with Kuwait, Nigeria and Libya with reserves greater than the USA. Given its high economic growth rate, the UAE is an excellent laboratory in which to test and evaluate policies and programmes to effect rapid economic development. The international stature of the UAE far exceeds what its physical size, population and breadth of resources would seem to indicate. As a member of OPEC, the UAE has played a vital role within that body's price moderates. With one of the world's highest per capita incomes and with ambitious development efforts under way, the UAE not surprisingly has become a major market for capital and consumer goods involving substantial foreign services, banking, business and industry. Based on more than a decade of study on site research and interviews with key figures, this book which mixes the practical with the academic approach will prove of great value to Middle Eastern and development specialists, students and to the international business and financial communities. First published in 1981.

Kuwait: Prospect and Reality H.V.F. Winstone, Zahra Freeth,2017-08-18. For many, the story of this small Arabian state begins and ends with the wealth that has accrued from its

vast oil deposits But the real fascination of Kuwait lies in its geological and archaeological history in its long struggle for survival among powerful neighbours in its ambitious plans for industrial and economic development This book first published in 1972 shows the effects of the new material wealth opened up by oil in relation to the country's remote past and its Islamic background

Encounters With American Culture Peter S. Prescott, 2005-10-01 This collection of essays discusses some of the important books, authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott's acute and subtle comments on the enduring and/or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott's writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic's view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve renown Here too is some astringent criticism of distinguished and popular authors who have fallen into self-indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form Peter S Prescott was book review editor for Newsweek His books include *A Darkening Green* *Notes from the Silent Generation* and *The Child Savers* Juvenile Justice Observed Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College

Search for the Paradise Land Michael Rice,1985 **The Secret Astrology of the Bible** Michael Ledo,2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible **Magan - The Land of Copper** Claudio Giardino,2019-06-13 This volume describes the geography and environments of Oman its rich copper ore deposits and the ancient mining and smelting techniques and it also includes an overview of the physical properties of the different metals exploited in antiquity and of the analytical techniques used in archaeometallurgy **Esarhaddon, King of Assyria** Josette Elayi,2023-02-15 Esarhaddon King of Assyria continues Josette Elayi s narrative journey through the lives of the kings of the Neo Assyrian Empire Using both archaeological and textual evidence Elayi examines the contentious circumstances surrounding Esarhaddon s accession to the throne in 681 BCE his rebuilding of Babylon which had been destroyed by his father Sennacherib his successful campaigns in Media the Arabian Peninsula Anatolia the Caucasus and the Levant and his

ultimate achievement the conquest of Egypt in 671 BCE Throughout Elayi presents a rich portrait of this enigmatic figure whose short but impactful reign was plagued by chronic illness and a complex and ultimately fatal relationship with his court officials Yet through it all Esarhaddon emerges as one of the most scholarly and most politically successful kings of the empire *The Archaeology of the Arabian Gulf* Michael Rice, 2002-03-11 The archaeological remains in the Gulf area are astounding and still relatively unexplored Michael Rice has produced the first up to date book which encompasses all the recent work in the area He shows that the Gulf has been a major channel of commerce for millenia and that its ancient culture was rich and complex to be counted with its great contemporaries in Sumer Egypt and south west Persia

Bahrain Through The Ages Shaikh Abdullah bin Khalid Al-Khalifa, Michael Rice, 2014-10-17 First Published in 1993 This volume is based on the papers delivered at the historical sessions of the conference Bahrain Through the Ages organised in Bahrain on the initiative of the Government of the State of Bahrain in December 1983 The papers are substantially the texts of those delivered at the Conference adapted to printed form This volume is the companion to Bahrain Through the Ages the Archaeology **The Arabian Mission's Story** Lewis R. Scudder, 1998 Volume 30 recounts the eighty year long history of the RCA's mission work in the Middle East written by a missionary who has spent decades in the Arabian Gulf Including instructive discussion of missiological themes as well as the narrative of the church's daily work in Arabia this volume is not only of denominational interest but will also provide important insights for mission students and those actively involved in a mission field
