Looking For The Cow:

Cow Florian Werner, 2012 She is everywhere as a vehicle for both farmers and advertisers a subject for research scientists and poets and ever present in the form of lucky charms children's toys or simply as a tasty sandwich filler The female of the bovine species is revered as sacred or reviled as stupid but one thing she never inspires is indifference After more than ten thousand years living alongside us she remains a beguiling mystery Combining a myriad of richly entertaining anecdotes and an abundance of illuminating discoveries Florian Werner presents the curious cultural history of that most intriguing of animals the cow Since evolving from the aurochs an ungulate that grazed the Persian grasslands the cow has embedded itself into virtually all aspects of our lives Cow is the first book to look at the animal in its countless manifestations in cultures around the world Werner examines cows role in commerce as an early form of currency and their place on our plates and in our stomachs in the form of meat and dairy products Florian Werner examines how cows are worshipped in some circles such as in Hindu mythology and abhorred in others today being vilified as an agent of climate change And he waxes philosophic about the significance of the cow's rumination and cud chewing as well as her simple but meaningful moo Combining thorough research with an accessible writing style Florian Werner offers readers an eye opening perspective on this commodified animal whose existence is inextricably intertwined with ours and which we too often take for granted

Everyday Jews Yehoshue Perle,2007-11-14 When Everyday Jews was first published in Poland in 1935 the Jewish Left was scandalized by the sex scenes and I B Singer complained that the novel was too bleak to be psychologically credible Yet within two years Perle s novel was heralded as a modern Yiddish masterpiece Offering a unique blend of raw sexuality and romantic love thwarted desire and spiritual longing Everyday Jews is now considered Perle s consummate achievement The voice of Mendl the novel s 12 year old narrator is precisely captured by this artfully simple translation Mendl s impoverished and dysfunctional family struggles to survive in a nameless Polish provincial town In his unsettled world most ordinary people yearn to be somewhere else or someone else As Mendl journeys to adulthood Perle captures the complex interplay of Christians and Jews weekdays and Sabbaths town and country dream and reality against a relentless and never ending battle of the sexes

Pigs, Poultry and Poo Jason Gibbs,2012-10-01 Pigs Poultry and Poo is the story of two people who change their lives and discover a whole new world Their first step is a move from living and working in the city to rural life and a two hour commute Over the five years recounted in the book they mature from feckless beginners to hardened country folk shedding only the occasional tear when an animal dies Their animal adventures start with a cat before they move on to goats and then chickens Slowly building confidence they haphazardly add cows pigs alpacas geese and ducks to their smallholding before reaching a limit On their journey they discover that cats like to sleep that goats are poor predictors of the weather and that there is a serious possibility that a cow could jump over the moon They pick up new skills such as fencing which they get to practise again and again as various animals helpfully demonstrate where they have gone wrong There is occasionally the semblance of a plan but often events overtake the couple and they have to learn to be resilient in the face of adversity The animals have plenty of character from the nervous goat and the grumpy cow to the randy

pig Looking after animals is often not easy but at least for one newly countrified pair it s deeply satisfying **Cattle and Dairy Farming** U. S. Bureau of Foreign Commerce,2023-10-01 Cattle and Dairy Farming A Comprehensive Guide to Raising Healthy Livestock by U S Bureau of Foreign Commerce is an essential resource that opens the door to the practical world of modern agriculture This guide offers a detailed exploration of livestock management and dairy production presenting a wealth of information on breeding nutrition disease prevention and the intricate processes involved in milk production Designed with both the novice and experienced farmer in mind the book combines time tested techniques with insights into contemporary practices ensuring readers gain a robust understanding of maintaining healthy cattle and optimizing dairy yields The manual also delves into home economics offering advice on budgeting resource management and cost efficiency making it a comprehensive tool for those looking to improve their agricultural operations while safeguarding animal welfare and product quality on the expertise of the U S Bureau of Foreign Commerce this guide not only provides step by step instructions but also contextualizes modern farming within a broader economic framework Whether you are managing a small family farm or a larger dairy operation and Dairy Farming equips you with the knowledge to enhance productivity improve the quality of your livestock and embrace sustainable practices that benefit both your business and the environment An invaluable guide for anyone involved in cattle and dairy farming The practical advice on livestock care and dairy production is exceptionally clear and comprehensive This book is a must read for farmers looking to improve efficiency and quality in their operations A thorough and well organized manual that covers every aspect of cattle management and dairy production The insights into economic efficiency are particularly useful although some sections could benefit from more modern examples Overall a highly practical resource Excellent reference material for both beginners and experienced farmers The detailed explanations on breeding and nutrition were very helpful and the budgeting tips add real value A few topics felt a bit dated but the core information remains solid and reliable A good introductory guide to cattle and dairy farming with plenty of practical tips However the book occasionally leans too much on traditional methods without enough discussion of new technologies Still a useful resource for those starting out in agriculture A must have for any serious farmer This manual is packed with actionable insights and proven strategies that have helped improve dairy operations It s an authoritative guide that blends tradition with modern practices ensuring sustainable success in livestock management

The Journal of the Department of Agriculture of Victoria ,1924 Appendix to the Assembly Journal Wisconsin,1910 *CMPA Bulletin* Consolidated Milk Producers Association,1925 **Back on the Farm** Harold W. Sullivan,2023-01-05

Back on the Farm is a collection of 176 humorous stories Harold Sullivan wrote for his grandchildren about growing up on a farm in Comet West Virginia during the 30s and 40s The moments that were the basis of the stories were frozen in time for the author and his fond retelling When I was a boy back on the farm recreates that life in the reader s mind too His stories are of small triumphs giant failures and a few in between They are funny tales of his relationship with his younger sister whom as one story recounts he convinced to let him shoot her with a homemade BB gun This sister then pretended it didn t hurt so she would shoot him too Many of the stories are about his hardworking mother such as the time Harold and his sister made mud pies with eggs from the farm a huge financial loss in the Depression and Momma spanked them twice once for the act and again when she found they had taken all the eggs The hero of many of his stories was his father a big man in many ways whose battle with the pushy cow showed the personality of the man and of the cow Harold s stories are of a way of life that doesn t exist anymore in the tiny community of Comet West Virginia which doesn t exist anymore either But for the people who lived there or for anyone who has lived on a farm the tales from Harold s memory bring back a simpler time worth revisiting These stories of a boy growing up among hardworking and close knit family and community are a love song to life Back on the Farm
