## Loose Among The Lambs:

*Loose Among the Lambs* Jay Brandon, 1994-03-01      *Defiance County* Jay Brandon, 1997-10 To penetrate the mystery of a double murder and kidnapping in a small Texas town prosecutor Kelsey Thatch will have to unearth a shocking secret one that could destroy the town forever      That Dangerous Figure Joseph E. Riehl, 1998 The English poet Charles Lamb 1775 1834 stimulates reactions that often lie outside the boundaries of literary criticism reactions that are often motivated by ideological cultural or political concerns He poses particularly difficult even unanswerable questions that often provoke intemperate anger or great affection in readers Historically the first critical misunderstanding of Lamb is to see him as a radical later he is canonized a domestic saint in the 1930s he is a reactionary bourgeois More recently he is understood as a conscious artist first by New Critics as a transcendent optimist then in the post structuralist version as a tormented soul creating his artifice out of the limitations of human life This study a comprehensive history of reactions to Lamb proposes that perhaps Lamb is a literary trickster who delights in raising just those contradictions of modern life which those who attempt a systematic style of criticism would like to ignore      *Sequels* Janet G.
