

Lopez Rega

**Leslie Alan Horvitz, Christopher
Catherwood**

Lopez Rega:

Masters of War Clara Nieto, 2011-01-04 In *Masters of War* Clara Nieto adeptly presents the parallel histories of the countries of Latin America that are intertwined each reflecting the United States coherent policy of intervention set into motion by the Monroe Doctrine. As the value of this continued policy comes increasingly into question, Nieto argues for the need to evaluate the alarming precedent set in Latin America: the institution of client dictatorships, the roles played by the interests of U.S. corporations, the enormous tolls taken on civilian populations, and the irreversible disruption of regional stability. Drawing from an impressive array of documents and sources, as well as from her unique first-hand insights as a participant in crucial meetings and negotiations in the region from the mid 1960s through the mid 1980s, Nieto chronicles the Cuban Revolution, the CIA-sponsored coup against popularly elected President Allende in Chile, the U.S. invasions of Panama and Grenada, U.S. support for the cultivation and training of paramilitary death squads in Nicaragua, El Salvador, and Colombia, as well as similarly severe but less well-known situations in other countries such as Uruguay, Venezuela, Argentina, Peru, Bolivia, Honduras, and Guatemala. *Masters of War* offers from an informed perspective, perhaps for the first time, a distanced, objective analysis of recent Latin American history. Clara Nieto's depth of knowledge and understanding is an invaluable resource at a time when the media is seen as unapologetically aligned with the interests of major corporations and policymakers, and the American public has reached a new height of apprehension regarding the intentions behind and consequences of its government's policies.

Populism and Ethnicity Raanan Rein, 2020-06-03 Juan Perón's decade-long regime from 1946 to 1955 is often presented as Nazi fascist and antisemitic, claims that are strongly rooted in Argentina's collective unconscious and popular culture. Challenging this widely held view, Raanan Rein asserts that there was greater Jewish support for Perón than previously believed, and that fewer antisemitic incidents took place in Argentina during Perón's rule than during any other period in the twentieth century. Recovering the silenced voices of Jewish Argentines who supported Peronism from the beginning, *Populism and Ethnicity* is a historical, sociological, and political analysis that describes the many positive changes experienced by the Jewish community as a direct result of Perón's presidencies. Perón and his wife Eva gave numerous speeches denouncing antisemitism, and Perón's Argentina was the first Latin American country to open an embassy in the newly established State of Israel. Arguing that no president before Perón so unambiguously rejected discrimination against Jews, Rein shows that many Jews secured more important posts in government in the 1940s and 1950s than in previous years, among them members of the Argentine Jewish Organization, which became a section of the ruling Peronist party. Deconstructing the myth of antisemitism during Perón's regime, *Populism and Ethnicity* looks deep into the heart of international memory for the truth behind Jewish Argentine relations.

Their Kingdom Come Robert Hutchison, 2014-09-02 Robert Hutchison's *Their Kingdom Come* is an explosive expose of one of the most powerful and secretive sects operating within the Roman Catholic Church: Opus Dei. This book reveals that Opus Dei has become the

Catholic Church's paramount financial power Influences its members through a combination of secret rites and insistence on absolute obedience Uses a strategy of discretion to cloud its real intentions Aims to prepare Christendom for the next crusade against Islam *Argentina under Perón, 1973–76* Guido Di Tella, 1983-06-18 *Argentina's Foreign Policy* Edward S Milenky, 2019-06-03 The crises of industrialization and nation building have produced varying foreign policies and associated domestic images in Argentina Classic liberals see the country as a Western European society whose difficulties will be resolved through fuller and more effective participation in world affairs Statist nationalists see a dependent developing *Operation Massacre* Rodolfo Walsh, 2013-08-27 1956 Argentina has just lost its charismatic president Juan Perón in a military coup and terror reigns across the land June 1956 eighteen people are reported dead in a failed Peronist uprising December 1956 sometime journalist crime fiction writer studiously unpoliticized chess aficionado Rodolfo Walsh learns by chance that one of the executed civilians from a separate secret execution in June is alive He hears that there may be more than one survivor and believes this unbelievable story on the spot And right there the monumental classic Operation Massacre is born Walsh made it his mission to find not only the survivors but widows orphans political refugees fugitives alleged informers and anonymous heroes in order to determine what happened that night sending him on a journey that took over the rest of his life Originally published in 1957 Operation Massacre thoroughly and breathlessly recounts the night of the execution and its fallout **Argentina's Lost Patrol** María José Moyano, 1995-01-01 An excellent analysis of Argentine guerrilla movements in the 1960s 70s based on a wide range of printed sources and extensive interviews with members of the groups Rather than describing all the activities of the various groups this study attempts to explain the rationale for their behavior Handbook of Latin American Studies v 58 **International Relations in Latin America** Andrea Oelsner, 2013-10-11 This work studies the development of bilateral relations in two pairs of states dyads Argentina Brazil and Argentina Chile It takes on a moderate constructivist approach that incorporates into the analysis of international relations the role of identities ideas and perceptions as well as of material forces and understands that the former are affected and changed during interaction It also uses to securitization theory to explain how issues come or cease to be considered security matters through social constructions *Perón and the Enigmas of Argentina* Robert D. Crassweller, 1987 A study of the life of Juan Perón focusing on the values emotions and psychological links of the appeal of Peronism and its mythology and longevity *Juan Perón* Jill Hedges, 2021-04-08 Within Argentina Juan Domingo Perón continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina's first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Perón remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial

nature continue to generate interest remains somewhat of a mystery to the rest of the world Perón remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Perón and asks why he remains a political icon despite the negatives associated with his extreme personalism *Encyclopedia of War Crimes and Genocide* Leslie Alan Horvitz, Christopher Catherwood, 2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world **Modernity of Religiosities and Beliefs** Pablo Alberto Baisotti, Ricardo Martínez Esquivel, 2021-09-23 Modernity of Religiosities and Beliefs A New Path in Latin America From the Nineteenth to Twenty First Century synthesizes new research on various phenomena related to religions and beliefs in Latin America The contributors provide comprehensive analytical interpretations of Latin American spheres of religious ideas and worldviews and show that they are a key element to understanding the history of the region Overall this book gives an account of the whole spectrum of religious phenomena in Latin American societies providing a global interpretation that will contribute to the study of political economic and cultural modernities in Latin America **Dictatorship in South America** Jerry Dávila, 2013-02-25 Dictatorship in South America explores the experiences of Brazilian Argentine and Chilean experience under military rule Presents a single volume thematic study that explores experiences with dictatorship as well as their social and historical contexts in Latin America Examines at the ideological and economic crossroads that brought Argentina Brazil and Chile under the thrall of military dictatorship Draws on recent historiographical currents from Latin America to read these regimes as radically ideological and inherently unstable Makes a close reading of the economic trajectory from dependency to development and democratization and neoliberal reform in language that is accessible to general readers Offers a lively and readable narrative that brings popular perspectives to bear on national histories Selected as a 2014 Outstanding Academic Title by CHOICE **Argentina's "Dirty War"** Donald C. Hodges, 2014-01-30 Argentines ask how their ultracivilized country reputedly the most European in Latin America could have relapsed into near barbarism in the 1970s This enlightening study seeks to answer that question by reviewing the underlying political events and intellectual foundations of the dirty war 1975 1978 and overlapping Military Process 1976 1982 It examines the ideologies and actions of the main protagonists the armed forces guerrillas and organized labor over time and traces them to their roots In the most comprehensive treatment of the subject to date Hodges examines primary materials never seen by other researchers including clandestinely published guerrilla documents and interviews important actors in Argentina's political drama His wide ranging scholarship traces the origins of the national security and national salvation doctrines to the Spanish Inquisition sixteenth century witch hunts and nineteenth century reactions to the modernizing ideologies of liberalism democracy socialism and communism Hodges posits that the dirty war Military Process and revolutionary war to which they responded represented the culmination of social

tensions that arose in 1930 with the launching of the Military Era by Argentina's first successful twentieth century coup. He offers the disquieting hypothesis that as long as the Argentine Question remains unsettled the military may intervene again the resistance movement will remain strong and violence may continue even under a democratic government. **The**

Economic Accomplices to the Argentine Dictatorship Horacio Verbitsky, Juan Pablo Bohoslavsky, 2016 This book uncovers how banks, individuals and companies worked as economic accomplices to the oppressive Argentinian dictatorship.

Last Tango in Buenos Aires David Marsh, 2016-01-07 Enjoy travel writing. Read *Last Tango in Buenos Aires* and travel through Argentina with David Marsh. Meet pilgrims and Indians, poets and nuns, teachers, priests, veterans of the war in the South Atlantic, gold diggers, coal miners and ranchers, those bereaved by the Dirty War and apologists for it, and those nostalgic for the time when there was one of the world's richest countries or Evita held half the nation spellbound. Everyone has an image of Argentina or its people, be it tango dancers or gauchos riding the pampa, football and the hand of God, the snowcapped Andes or the Patagonian vast. Don't Cry For Me Argentina or beef and Malbec. The Argentinians themselves are wont to joke that there would be the most wonderful country in the world were it not for its 42 million inhabitants. David Marsh goes beyond this self-deprecating take and delves into the Argentinian psyche in *Last Tango in Buenos Aires*, which takes an intimate look into an often misunderstood country. Everyone I met seemed to have a tale to tell or a point to make, said David Marsh when discussing his travels through Argentina. Their voices breathe authentic life into *Last Tango in Buenos Aires*, a compelling book that will appeal to fans of travel writing. It covers not only Argentina's geographical and cultural diversity, its beauty, history, politics and paradoxes, but also the Argentinians of diverse backgrounds and walks of life that David met during his travels. *Argentina* Jill Hedges, 2011-06-30 In the early 20th century Argentina possessed one of the world's most prosperous economies, yet since then Argentina has suffered a series of boom and bust cycles that have seen it fall well behind its regional neighbours. At the same time, despite the lack of significant ethnic or linguistic divisions, Argentina has failed to create an overarching post-independence national identity, and its political and social history has been marred by frictions, violence and a 50-year series of military coups d'état. In this book, Jill Hedges analyses the modern history of Argentina from the adoption of the 1853 constitution until the present day, exploring political, economic and social aspects of Argentina's recent past in a study which will be invaluable for anyone interested in South American history and politics. *Combating Terrorism* Yonah Alexander, 2002 A unique survey and assessment of counterterrorism strategies across the globe by prominent experts.

On a Night of a Thousand Stars Andrea Yaryura Clark, 2022-03-01 In this moving emotional narrative of love and resilience, a young couple confronts the start of Argentina's Dirty War in the 1970s, and a daughter searches for truth twenty years later. New York 1998. Santiago Larrea, a wealthy Argentine diplomat, is holding court alongside his wife Lila and their daughter Paloma, a college student and budding jewelry designer, at their annual summer polo match and soiree. All seems perfect in the Larrea world until an unexpected party guest from Santiago's

university days shakes his usually unflappable demeanor The woman s cryptic comments spark Paloma s curiosity about her father s past of which she knows little When the family travels to Buenos Aires for Santiago s UN ambassadorial appointment Paloma is determined to learn more about his life in the years leading up to the military dictatorship of 1976 With the help of a local university student Franco Bonetti an activist member of H I J O S a group whose members are the children of the desaparecidos or the disappeared men and women who were forcibly disappeared by the state during Argentina s Dirty War Paloma unleashes a chain of events that not only leads her to question her family and her identity but also puts her life in danger In compelling fashion *On a Night of a Thousand Stars* speaks to relationships morality and identity during a brutal period in Argentinian history and the understanding and redemption people crave in the face of tragedy Includes a Reading Group Guide

Dictatorship, Democracy, and Globalization Klaus Friedrich Veigel, 2010-11-01 The collapse of the Argentine economy in 2001 involving the extraordinary default on 150 billion in debt has been blamed variously on the failure of neoliberal policies or on the failure of the Argentine government to pursue those policies vigorously enough during the 1990s But this is too myopic a view Klaus Veigel contends to provide a fully satisfactory explanation of how a country enjoying one of the highest standards of living at the end of the nineteenth century became a virtual economic basket case by the end of the twentieth Veigel asks us to take the long view of Argentina s efforts to re create the conditions for stability and consensus that had brought such great success during the country s first experience with globalization a century ago The experience of war and depression in the late 1930s and early 1940s had discredited the earlier reliance on economic liberalism In its place came a turn toward a corporatist system of interest representation and state led inward oriented economic policies But as major changes in the world economy heralded a new era of globalization in the late 1960s and early 1970s the corporatist system broke down and no social class or economic interest group was strong enough to create a new social consensus with respect to Argentina s economic order and role in the world economy The result was political paralysis leading to economic stagnation as both civilian and military governments oscillated between protectionism and liberalization in their economic policies which finally brought the country to its nadir in 2001

Lopez Rega Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Lopez Rega**, a literary masterpiece that delves deep in to the significance of words and their affect our lives.
