Joseph Conrad, Lord Jim Joseph Conrad,2018-08-22 Joseph Conrad s Lord Jim first published in England in 1900 has long been acknowledged as a very difficult book for readers to understand especially on the first read However those who have taken the time to understand the book acknowledge that the effort is worth it Lord Jim which Conrad began as a short sketch grew into a novel that is widely recognized for its modernism its tendency to buck the conventional narrative trends of its day The most obvious technique that Conrad used was a shifting form of narration in which the reader hears a tale first from one narrator then another and finally from several disparate accounts
