Going Deep Gordon MacDonald, 2011-10-18 The future of the Christian faith will not be determined by the number of people who fill the pews but by the spiritual depth of those people Pastor Gordon MacDonald revisits the fictional New England congregation of his critically acclaimed book *Who Stole My Church* to deal with a new dilemma What's his church's story What is it doing that justifies its existence The importance of these questions is anything but fiction Through a series of e-mails and discussions with friends and parishioners Pastor Gordon's search for their story leads him to realize that the future of the Christian faith and thus the church is at risk As MacDonald says We seem to know how to get unchurched people to visit our buildings We even seem to know how to draw them across the line into a declaration of personal faith in Jesus But what we do not seem to know is how to cultivate spiritually deep people Tomorrow's church could be headed for trouble Deep people People who possess spiritual awareness and maturity people with solid grounded life altering faith MacDonald shows that the church needs people with a passion for God's presence and a desperate hunger to seek him above all things Join Pastor MacDonald and his congregation on their quest to cultivate spiritual depth and grow into a community of believers whose hearts and minds are truly focused on God *The Musical Times*, 1908

Deep Preaching J. Kent Edwards, 2009-08-01 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather
