Nault, 2020-12-17 Africa throughout its postcolonial history has been plagued by human rights abuses ranging from intolerance of political dissent to heinous crimes such as genocide Some observers consequently have gone so far as to suggest that human rights are a concept alien to African cultures The International Criminal Court ICC s focus on Africa in recent years has reinforced the region s reputation as a hotspot for human rights violations But despite Africa s notoriety concerning human rights Africa and the Shaping of International Human Rights argues that the continent has been pivotal in helping to shape contemporary human rights norms and practices Challenging prevailing Eurocentric interpretations of human rights origins and evolution it demonstrates that from the colonial era to the present Africa s peoples have drawn attention to and prompted novel ways of thinking about human rights through their encounters with the world at large Beginning with the depredations of King Leopold II in the Congo Free State in the 1880s and ending with the ICC s current

activities in Africa it reveals how African events personalities groups and nations have influenced the trajectory of human rights history in intriguing and critical ways in the end enlarging and universalizing a major discourse of our time
