Losing Hope Leslie J. Sherrod, 2012-09-01 From the acclaimed author of *Like Sheep Gone Astray* and *Secret Place* comes a riveting new series with twists and turns to the end Social worker Sienna St James is a woman with a complicated past and a confusing Tuesday morning In one single day every advance Sienna has made in getting over her long lost globe trotting husband unravels in unexplainable fashion From a mysterious package that hails from another continent to a new teen client who claims to have a missing sister Sienna finds herself in the middle of a city wide scandal all while sorting out the painful details of her personal life At the center are two suspicious foster parents a mega church ministry leader and Sienna's own fragile emotions over a man who changed the direction of her life It's a race against time as Sienna seeks closure from a love she never understood and answers about whether a little girl named Hope

photographs news articles and other ephemera telegrams maps etc that support the sense of intimacy and reality Since some accounts can occasionally run long it may have been helpful for Litvin to provide more editorial insight and direction Still the book is a soaring testament to the strength and adaptability of five remarkable people A wonderfully executed powerful family chronicle Kirkus Discoveries 2 13 09

Suicide and the God of Grace Mark Koonz, 2025-08-19 Suicide is a painfully intrusive reality around the world touching many Christian families as well These theological reflections are designed to assist pastors facing one of the hardest funerals imaginable as well as inform other readers family and spiritual care givers who live in the aftermath of tragedy Biblical passages and the history of Christian thought are scanned with some surprising results There is a persistent openness to God's grace embracing death by suicide redeeming the last moment of life From Aquinas to Luther to Barth influential theologians refused to call suicide an unforgiveable sin though they always discouraged it There is a surprising congruence between ancient and modern Protestant and Roman Catholic in some of these approaches Without attempting to speak God's final word on any victim of suicide the editor finds a middle way between outright condemnation and universalism Contributors offer actual sermons used for suicide funerals This book invites all who wrestle with suicide's spiritual questions to engage with a tradition more compassionate and nuanced than many might expect
