Rimbaud and Jim Morrison Wallace Fowlie, 1994 I have little doubt Jim Morrison would be both flattered by and proud of Wallace Fowlie's analytic literary analysis of his poetry and lyrics It was a 19 year old Jim Morrison who wrote Mr Fowlie to thank him for translating his hero Arthur Rimbaud into English from French and it would be a grateful Jim Morrison who would thank Wallace Fowlie today for tracing and linking his work with such a distinguished poetic heritage Danny Sugerman author of *Wonderland Avenue* and co author of *No One Here Gets Out Alive*

Roi Ottley's World War II Mark A. Huddle, 2012-08-14 When black journalist Vincent Roi Ottley was assigned to cover the European theater in World War II he provided a perspective shared by few other war correspondents But what he really saw has taken more than sixty years to come to light Already famous as the author of *New World A Coming* in which he decried the hypocrisy of America fighting for freedom in Europe while denying it to blacks at home Ottley was sent to cover the experiences of African American soldiers that neither white journalists nor the American military felt obliged to report But while his dispatches documented this assignment his personal diary reveals a different war one that included mess hall brawls between Southern white soldiers and their black counterparts the British public's ignorance toward their own black

soldiers and other subtle glimpses of wartime life that never made it into print That journal remained buried in a collection of Ottley s papers at St Bonaventure University until Mark Huddle discovered it in the school s archives With this book he offers us a new look at World War II as he brings a forgotten figure out of history s shadow While Ottley may have had an agenda in his published articles of proving the worth of black soldiers his diary is rich in personal reflections from his fears while enduring a bombing raid in London to his true feelings about fellow reporters to his encounters with celebrities such as Ernest Hemingway and Edward R Murrow And at every turn Ottley kept a keen eye on race issues revealing a highly political as well as entertaining writer while reflecting a growing awareness that the African American freedom movement was part of a larger international struggle by peoples of color against Western imperialism Huddle s introduction frames Ottley s career and contributions and his annotations throughout the book provide additional context to the reporter s experiences Huddle also includes thirteen of Ottley s published dispatches to demonstrate the differences between his personal musings and his professional output The publication of this lost diary restores the reputation of a trailblazing figure showing that Roi Ottley was both a brilliant writer and one of America s keenest observers of race issues It offers all readers interested in race relations or World War II a more nuanced picture of life during that conflict from a perspective rarely encountered

Can't Find My Way Home Martin Torgoff, 2004-05-13 Can't Find My Way Home is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It's the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can't Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can't Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with

enormous consequences This ambitious fascinating book is the story of how that happened
