Lost Found Impressions Of An Ordinary Guy:

FBI & an Ordinary Guy - The Private Price of Public Service Mark Johnston, 2015-12-01 FBI land pirates I personally had many successes but hard won victories eventually sapped my energy and spirit Along the way I had to come to grips with the murders of a squad partner two New York City cops and several government witnesses The public knows little about the stress and high emotional costs the guardians of their safety pay in the constant battle against crime and terror The favorite antidotes of many law enforcement peers crawling into a bottle or the wrong bed proved to provide little long lasting comfort FBI An Ordinary Guy reveals the inner working of the FBI the humanness of its family members and the real life story behind some of its major cases But this factual account is told through a genuine framework of the bitter sweet contrast of the gritty horrors of law enforcement versus affectionate father to daughter communication via never mailed letters to my children

Memoirs of an Ordinary Guy Daniel Stuart Olmes, Jamie Clarke, 2023-01-24 By most measures Daniel Olmes is an ordinary guy but he s learned how to live an extraordinary life In *Memoirs of an Ordinary Guy* Daniel asserts that we are all capable of being extraordinary and redefines what it means to be just another ordinary person He is living proof that extraordinary is there for all of us It doesn t mean rich or famous It doesn t mean better To Daniel extraordinary means grateful honest happy loving fearless and faithful Doing extraordinary things is not what makes us extraordinary Being extraordinary is having an extraordinary perspective on our lives and the things that happen to us Daniel s narrative will inspire everyone to view their lives differently remind us of the stories that we all share and spark a renewed curiosity about a world that s anything but ordinary

Lost & Found John A. Jenson, 1997-01-01 *Thoughts of an Ordinary Man* Jack Gorman, 2009-02-23 This book is a compilation of the thoughts of an ordinary man any subject that comes to mind and in no particular order I cover all ideas from conversations I have had my reactions to newspapers and other media reports and virtually everything that I have formed opinions on With the accusations that Americans are always far left or far right I wanted to give the opinions of an ordinary man From this you decide if an ordinary man leans hard left hard right more toward center or maybe is really schizophrenic Each thought is kept as short as possible in presentation in an attempt to get right to the point and solicit expanded thought from the reader I wrote this not to be read as a novel but to be read whenever there are five minutes available to ponder a new idea
