

“The Lost Children Being Found”

An Inspirational Message for those who support
[the Family Bible Preservation Project](#)

An interesting account, below, found on FamilySearch Memories an account of a “Lost Infant”
we find accounts and stories like this again and again on the [Family Bible Preservation Project](#).

May each one of you know the importance of the work you do - - and the significance in the eternal perspective
as we ensure one of God’s little children is remembered now and in the eternities . .

I found a baby this week. He’d been lost for 161 years. And it’s only because of the Forman Family Bible that I’m confident he belongs in our family.

You’ll recall that we learned from the family names listed in the bible that the “L” in Samuel L. Forman’s name stood for “Longstreet.” So I wasn’t immediately surprised to happen upon a death record for Samuel Longstreet Foreman. Until I read that he died at age 14 months in 1857. Ancestry.com only had the indexed details, but FamilySearch.org had an image of the actual document (shown above.) No parents are listed for this baby. The original SLF is named after his mother’s father (Samuel Longstreet.)

So who would be likely to name a child Samuel Longstreet Forman in 1856? Wouldn’t it be logical that the son of Samuel Longstreet Forman would give that name to his son, possibly his first-born son?

Samuel L. Forman had 2 sons: William Lake and Isaac E. In 1856, Isaac was only 15 years old, but William Lake had been married to Amanda Orilla McAllister since 1853. That date is fairly new since I only found their marriage date in a newspaper record in the past year or two.

Lost And Found The Search For My Family Introduction

In today's digital age, the availability of Lost And Found The Search For My Family books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lost And Found The Search For My Family books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lost And Found The Search For My Family books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lost And Found The Search For My Family versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lost And Found The Search For My Family books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lost And Found The Search For My Family books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lost And Found The Search For My Family books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lost And Found The Search For My Family books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lost And Found The Search For My Family books and manuals for download and embark on your journey of knowledge?
