The Game Master's Book of Legendary Locations Jeff Ashworth, Tim Baker, 2025-06-17 When your players are traveling through the wilderness from Point A to Point B here's the key to making that journey as intriguing and exciting as possible. As every GM knows you can spend hours preparing an adventure but rarely is any map filled in so completely that you can easily define what lies waiting in the wilds between where they are today and where they'd like to be tomorrow. That's where *The Game Master's Book of Legendary Locations* comes in. *Legendary Locations* provides Game Masters with more than 150 fascinating sites, obstacles, legends, and landscapes spread across eight environmental zones designed to make every journey an unforgettable one. From poisonous swamps and bottomless wells to dragon skull temples and abandoned mines, each location includes a brief history, exotic lore, potential dangers to fight, and treasures to be won, along with illustrations throughout. Larger entries include special Game Master notes and random encounter tables to ensure each incredible locale is as compelling as possible. Each environmental zone also includes a completely fleshed-out lair including monster stat blocks, a map, and full-page illustration. In addition, *Legendary Locations* also includes dozens of roll tables for determining random encounters, eerie occurrences, natural hazards, and more to ensure players are always experiencing something unique and unexpected. It's a wellspring of inspiration and a fathomless resource for keeping players on their toes and ensuring that the journey is just as exciting as the destination.

Judged Elise Noble, 2021-04-30 When Ro Keyes quit the military, he was looking forward to a slower pace of life. A chance to pursue his love of learning as part of an exchange program with Kabul International University. But you know what they say: You can't escape your past. Or, as it turns out, your birthright. As a woman in Afghanistan, Ziya Khalizai has no choice but to marry the man chosen for her. Perhaps it won't be so bad. He did promise to protect what was left of her family after all. But promises get broken, and futures get destroyed. Ziya's spirit. Luckily, she still has that. Haunted by their pasts, plus several unruly ghosts, Ro and Ziya set out to save lives, but around them, people are dying. How? Why? And more importantly, will they be next? *Judged* is a standalone paranormal romantic suspense novel in the *Electi* series. Keywords: Ghost, spirit, private investigator, special forces, supernatural, paranormal, magical realism, pregnancy, spy, espionage, necromancer.

... of Bags, Counts and Nightmares Ron Marks, 2013-05-31 Tommie Bauer is an ordinary young American drafted into a war to defend freedom in Southeast Asia, a war that consumes his life as he knew it. Through the eyes of this highly trained young patriot, we discover how constant exposure to killing, death, and dying poses a serious threat to the psychological, physical, and emotional wellbeing of a combatant. Day to day, while humping the thick jungles of Vietnam, Bauer escapes one day's nightmare only to be engulfed in more gruesome ones in following days. His assigned mission is to seek and destroy the enemy. However, his immediate mission becomes the struggle to outlast the enemy while battling constant sorrow and hardship. Equally important, he must avoid occupying the next body bag tagged for appropriate disposal. He has to kill or be killed and do his part to increase the enemy body count, the bloody measure of who is winning.

Bauer finds himself trapped in this brutal and morally confusing nether world During his journey through hell he meets a precocious young nurse while convalescing She unknowingly becomes the incentive Bauer needs to endure his ordeal This is Bauers story his struggle to rationalize the need for war and the carnage it creates He is troubled by his exposure to combat and the changes he sees within himself which he knows might haunt him the rest of his life **The Counterfeit Coin**

Christopher Goetz,2023-05-12 The Counterfeit Coin argues that games and related entertainment media have become almost inseparable from fantasy In turn these media are making fantasy itself visible in new ways Though apparently asocial and egocentric an internal mental image expressing the fulfillment of some wish fantasy has become a key term in social contestations of the emerging medium At issue is whose fantasies are catered to who feels powerful and gets their way and who is left out This book seeks to undo the monolith of commercial gaming by locating multiplicity and difference within fantasy itself It introduces and tracks three broad fantasy traditions that dynamically connect apparently distinct strata of a game story and play that join games to other media and that encircle players in pleasurable loops as they follow these connections Becoming a Teacher of Writing in Elementary Classrooms Donna Kalmbach Phillips,Mindy Legard

Larson,2024-04-01 The Second Edition of Becoming a Teacher of Writing in Elementary Classrooms is an interactive learning experience focusing on all aspects of becoming writer and teacher of writing in the Writing Studio The Writing Studio is illustrated with authentic classroom scenarios and include descriptions of assessments mini lessons mentor texts and collaborative and individual teaching strategies The parallel text Becoming Writer allows readers to engage as writers while learning and applying writing process practice and craft of the Writing Studio The new edition includes integration of preschool writers multilingual learners translanguaging culturally sustaining pedagogy social emotional learning Universal Design for Learning and an updated companion website with teacher resources This dynamic text supports teachers agency in the ongoing journey of joyful teaching and writing **Transnational Horror Across Visual Media** Dana Och,Kirsten

Strayer,2013-10-15 This volume investigates the horror genre across national boundaries including locations such as Africa Turkey and post Soviet Russia and different media forms illustrating the ways that horror can be theorized through the circulation reception and production of transnational media texts Perhaps more than any other genre horror is characterized by its ability to be simultaneously aware of the local while able to permeate national boundaries to function on both regional and international registers The essays here explore political models and allegories questions of cult or subcultural media and their distribution practices the relationship between regional or cultural networks and the legibility of international horror iconography across distinct media The book underscores how a discussion of contemporary international horror is not only about genre but about how genre can inform theories of visual cultures and the increasing permeability of their borders
