Jerusalem Merav Mack,Benjamin Balint,2019-05-14 A captivating journey through the hidden libraries of Jerusalem where some of the world s most enduring ideas were put into words In this enthralling book Merav Mack and Benjamin Balint explore Jerusalem s libraries to tell the story of this city as a place where some of the world s most enduring ideas were put into words The writers of Jerusalem although renowned the world over are not usually thought of as a distinct school their stories as Jerusalemites have never before been woven into a single narrative Nor have the stories of the custodians past and present who safeguard Jerusalem s literary legacies By showing how Jerusalem has been imagined by its writers and shelved by its librarians Mack and Balint tell the untold history of how the peoples of the book have populated the city with texts In their hands Jerusalem itself perched between East and West antiquity and modernity violence and piety comes alive as a kind of labyrinthine library **The Debilitating Duo** Roche Coleman,2023-10-02 Is it possible to violate God s moral law without experiencing guilt and shame Can a person silence their conscience from the strange emotions that emerge when one sin An examination of the original design of humanity in the imago Dei suggests one cannot sin and avoid the debilitating duo Humanity is created to live within the moral structure established by God Therefore a violation of the divine laws which is sin leads to guilt and shame The strange emotions were innate sensation imparted to humanity to stop rebellion against the moral laws and to compel an offender to acknowledge the offense through the confession of sin Unconfessed sin debilitates the physical and mental functions of a person created in the image of God Guilt and shame are the strange emotions that serve as mental guardians for an individual as well as for the society in general The duo was given as silent deterrents to immoral behaviors The World of a Renaissance Jew David B. Dome of the Rock and its Umayyad Mosaic Inscriptions Milwright Marcus Milwright, 2019-04-01. Located on the Temple Mount in Jerusalem, the Dome of the Rock was constructed at the end of the seventh century by order of caliph Abd al Malik. This seminal structure has been much studied but no definitive interpretation yet exists of the meanings conveyed by the Dome at the time of its completion. The recovery of meaning is complicated by the paucity of primary written sources relating to the construction phases of the building and the motivations of its patron. This book concentrates on the most important surviving primary text: the long mosaic inscription running around the interior. Comprising a dedication and date 72 691 92 and material of a religious nature, the mosaic inscription provides vital evidence for the reconstruction of the meanings and functions of the Dome of the Rock. The detailed study of the mosaics helps to place them in the context of Late Antique monumental writing, particularly in Greek. The book makes use of contemporary Islamic coins, graffiti and other inscribed objects in order to examine the Dome of the Rock in the relation to the ideological concerns of the Umayyad elite during and after the second Civil War.
