Eclipsed Hearts Wesley Guo, 2024-12-07 What would you do for love In this gripping tale of horror and mystery a couple of seasoned agents are thrust into an investigation that blurs the line between the living and the dead A string of chilling crimes leads them to a single haunting question How far would someone go to reunite with the one they love As they delve deeper into the case the agents uncover a dark web of secrets uncovering motivations fueled by love desperation and a willingness to defy the boundaries of life and death Is love truly blind or is it the most dangerous force of all Fear takes on new forms as the agents face not only ghosts of the past but also the terrifying extremes of human emotion What is more horrifying the malevolent spirits haunting the case or the truths that lie within the human heart This is a story of love and loss crime and consequences and the mysteries that linger just beyond the veil of the ordinary Step into a world where emotions wield power the past refuses to rest and every answer leads to a new question

The End of My Life Vance Bourjaily,2015-04-28 Vance Bourjaily s classic novel of World War II dramatizes an entire generation s loss of innocence When Thomas Skinner Galt leaves Greenwich Village to volunteer as an ambulance driver with the British Army he anticipates the adventure of a lifetime What he fails to understand is that no matter where he comes from or how many books he has read once he dons a military uniform his life will cease to be his own Stationed first in the Middle East and then in Italy Skinner and his fellow American volunteers Rod Freak and Benny endure boredom fear and the exquisite frustration of following orders They seek solace in their friendship with one another and in the debauched diversions available to men during wartime But as the days and nights drag on Skinner begins to drift away from his comrades and from himself Too late he discovers that the path he has chosen leads only to tragedy Inspired by Vance Bourjaily s experiences as an ambulance driver in the American Field Service and commissioned by legendary editor Maxwell Perkins The End of My Life marked the arrival of a writer heralded by the New York Times as a Dostoevsky of the generation that came of age in World War II Elegant spare and fiercely honest this is a timeless portrait of the devastating effects of war on the human spirit

The Heart Queen had a great power, the ability to compel those around her to feel what she felt. But when the Heart Queen discovered she'd been betrayed by her own people, she unleashed a storm of emotion like no other, plunging the hares and their land into an age of darkness and despair. Until slowly but surely the darkness lifted, peace returned, and her story became that of legend. Centuries later, near the hare town of Barrowton in the Leporidae Valley, rumours of danger beyond the borders of the valley begin to stir. Hares begin to disappear, one by one, without a trace. Lyselle, a young, bright pink hare like no other, is visited in a dream by the Cerulean Star, the owl god, and one of the Seven Stars that created Alaria. He implores her to find a legendary sword and issues a warning: Beware her wrath. **Heart of the Storm**

Peggy L Henderson, *Adrian Storm* has spent thirteen years far from the world of his birth growing up among the people who took him in as a boy. Now a skilled warrior and hunter he thrives in the rugged wilderness where survival is both a challenge and a way of life. When violence follows a group of outsiders into this untamed land, Adrian is thrust into a deadly conflict that stirs long buried memories and reignites a thirst for vengeance he can no longer ignore. Tessa Beckett has never shied away from a challenge. As the daughter of one of the fur trade's most powerful men, she's spent her life showing she can hold her own in a male dominated world. When an opportunity arises to prove herself, Tessa seizes the chance to cement her place in the family business. But danger lurks among rival fur companies and trust is rare. Forced together by circumstances neither can control, Adrian and Tessa must navigate the treacherous wilds while confronting their fears, loyalties, and desires. As tension ignites between them, the line between hate and attraction blurs. In the heart of the untamed wilderness will the storm between them forge an unbreakable bond or destroy them both.

Iron Heart Brian Boyle, 2009-10-01 It was a horrific car crash. On the way home from swim practice, eighteen-year-old Brian Boyle's future changed in an instant when a dump truck plowed into his Camaro. He was airlifted to a shock trauma hospital. He had lost sixty percent of his blood; his heart had moved across his chest, and his organs and pelvis were pulverized. He was placed in a medically induced coma. When Brian finally emerged from the coma two months later, he had no memory of the accident. He could see and hear but not move or talk. Unable to communicate to his doctors, nurses, or frantic parents, he heard words like "vegetable" and "nursing home." If he lived, doctors predicted he might not be able to walk again and certainly not swim. Then miraculously, Brian clawed his way back to the living. First blinking his eyelids, then squeezing a hand, then smiling, he gradually emerged from his locked-in state. The former swimmer and bodybuilder had lost one hundred pounds. *Iron Heart* is the first person account of his ordeal and his miraculous comeback. With enormous fortitude, he learned to walk, then run, and eventually to swim. With his dream of competing in the Ironman Triathlon spurring him on, Brian defied all odds and three and a half years after his accident crossed the finish line in Kona, Hawaii. Brian's inspiring journey from coma to Kona is brought to life in this memoir.
