The Body Liberation Project Chrissy King,2023-03-14 From author and wellness personality Chrissy King an exciting genre redefining narrative mix of memoir inspiration and activities and prompts with timely messages about social and racial justice and how the world needs to move beyond body positivity to something even more exciting and revolutionary body liberation When Chrissy King first joined a gym she had one goal in mind to get skinny In pursuit of this goal she fell into the all too common cycle of not enough ness no matter what she achieved there was always something she felt she needed to change about her body her appearance herself This made her realize the most liberating truth of all She was not the problem Diet and fitness industries rooted in white supremacy were the problem Eurocentric and carefully manufactured beauty

standards were the problem discourses telling her that her happiness was directly tied to her physical appearance were the problem So she created an actionable method to redefine the relationship we have with our bodies thereby achieving a sense of self worth that is completely separate from how we look The Body Liberation Project is about finding actual freedom in our bodies by discovering strength and aspects of fitness movement and eating that work for YOU It s about realizing that the goal is not to look at our bodies and love everything we see it s to understand that at our essence we are so much more than our bodies But it s also about recognizing the harsh realities that prohibit people in marginalized bodies from being able to do so Society constantly bombards those who fall outside Eurocentric standards of beauty think Black fat trans etc with the message that they are less attractive and part of the journey toward body liberation is examining your own privilege acknowledging the harm you may be causing others and mourning your old ideas about what a body should look like Recognizing that none of us are free until all of us are Chrissy King shares the wisdom the tools and the inspiration to motivate readers to find body liberation and even more important to pass it on It'S All About the Glory Carolyn W.
