Family Matters Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith, James Dobson, child psychologist, author, radio personality, and founder of the Christian conservative organization Focus on the Family, published his first book *Dare to Discipline* in 1970 and quickly became the go-to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force. The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party. Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights, feminism, abortion, and the secularization of public schools. Dobson and Focus on the Family dominated Christian media through print, radio, and online venues, and their message reached millions of American evangelical households, shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s. *Family Matters: James Dobson and Focus on the Family's Crusade for the Christian Home* by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame, effect on American evangelical culture, and subsequent descent from relevance. Extensively researched, Løvdal Stephens scoured through Dobson's books, articles, and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever-changing world. By contextualizing the history of Dobson's reign, Løvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth-century conservative Christianity in the United States. She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce, working mothers, and other perceived threats to the traditional family.

ADULTERY Jack & Jill, 2013-11-16 We wrote this book for all who have suffered the devastation of betrayal through marital infidelity by their spouse. It is also for the betrayer who repents, is honest, and works to make things right for the future. It is for both to help them understand that when the past is properly dealt with, then new memories of life can be made to overshadow and outweigh the past bad memories. This book has been written by two real people who go by Jack and Jill in this book. We, Jack and Jill, have been married for 30 years as of our wedding anniversary the year 2013. The 30 years are not continuous due to a few months of living apart which included a divorce due to Jill's marital unfaithfulness. After 20 years of marriage, Jack learned that Jill had been unfaithful to their marriage vows. Jill told Jack that

she was sorry and still loved him and they worked on their marriage for a while but Jill had another affair with someone else about six months later We chose the names Jack and Jill due to the children s rhyme about how Jack and Jill went up the hill together and one fell down and the other came tumbling after In marriage what one spouse does has an effect on the other in ways far exceeding the actions by others in any other type of relationship We wrote this book with the hope that if someone is considering having an affair thus being unfaithful to their spouse and to God that they will reconsider taking that path once they realize the consequences that their actions will have both for their self and their spouse We wrote this book to give hope help and direction to the betrayed spouse regardless of their or their spouses present desires to maintain the marriage relationship We give guidance to the pair if they decide to stay together and resolve their relationship problems Some of the issues that we help couples deal with are the disappointment over the loss of the specialness and uniqueness of the marriage relationship along with the once pure marital bed alongside any inappropriate emotional attachments that were formed during the affair the why and reasons for the affair and betrayal forgiveness for the harm caused and building trust again Above all else during these times of anguish and despair we counsel people to turn their life and the entire turmoil of events that have occurred over to God
