Love Intertwines:

The Roadmap to True Love John Kim, 2004-03 Every person has one thing in common no matter what your ethnic financial or religious status happens to be This common denominator affects you whether you are male or female and it causes you to spend hordes of time energy and money for its pursuit What is it Love Since the dawning of time there has always been a need to share our lives with someone else Thus God s proclamation It is not good for the man to be alone I will make him a helper suitable for him Genesis 2 18 NASB As Eve was created out of Adam so do we all long for someone perfectly created for us We desire a relationship in which we are connected to someone else in perfect harmony The notion of a soulmate is woven into the fabric of our consciousness We are all in a search for this seemingly mythical person and relationship The key to this discovery can be found within the pages of the Bible Once you ve understood the mysteries that are hidden away in this sacred text you too will be able to find what hundreds of others have already found your soulmate
