Love is the Meaning Ann Lewin, 2010-10-29 Love is the meaning is the phrase chosen by the mystic 14th century writer Julian of Norwich to encapsulate all that had been revealed to her in the series of visions that led her to write one of world s greatest spiritual books her *Revelations of Divine Love* which continues to inspire

countless readers today Its everyday imagery and warm intimacy set it apart from other great spiritual classics Ann Lewin uses its homely qualities to provide the basis for an exploration of our own experiences of the spiritual life and as we search for answers to life s big questions How can we hold fast to the truth of God s love in the face of suffering and disaster Does prayer change anything How can Julian help us to speak freshly about God to our world What do we do when God seems far away and silent Can we actually believe that all will be well as Julian did These and other questions are explored here

The Path of Love Ronald D. Cowen, 2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist **Catalog of Copyright Entries** Library of Congress.
