Greatest is Love Ruth Connell,1982 **Make Love Great Again** Brian Michels,2025-01-01 A note about the title While Make Love Great Again may bring to mind a certain political slogan I assure you this is a romance novel through and through This book isn t about politics it s about love connection and rekindling the spark that we all deserve in our lives In a world that can often feel divided love is one thing that unites us all and who couldn t use a little more of that So if the title made you pause I ask you to look beyond it and open your heart to a story that celebrates passion joy and the beauty of human connection Let s embrace love not as a political statement but as a reminder of the good things we can share Grab a copy and see for yourself because let s face it the world could use a love reboot With that said here is the description for Make Love Great Again What if your first love was more than a memory What if it was your only chance at lasting happiness Make Love
