Love And Desire:

Love, Sex, and Desire in Modern Egypt L. L. Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs Sara a working class woman has an affair with a married man and becomes pregnant only to be abandoned by him Ayah and Zeid a respectably engaged couple argue over whether Ayah's friend is a prostitute or a virgin Malak a European belly dancer who sometimes gets paid for sex wants to be loved by a man who won't treat her like a whore just because she's a dancer and Alia a Christian banker who left her abusive husband is the mistress of a wealthy Muslim man Haroun who encourages business by hosting risqu parties for other men and their mistresses Set in transnational Cairo over two decades Love Sex and Desire in Modern Egypt is an ethnography that explores female respectability male honor and Western theories and fantasies about Arab society L L Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory mimesis kinship and gift She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms Wynn demonstrates that love is at once a moral horizon an attribute that naturally inheres in particular social relations a social phenomenon strengthened through cultural concepts of gift and kinship and an emotion deeply felt and desired by individuals

Life, Love, and Hope Jan-Olav Henriksen, 2014-11-10 Taking both knowledge of evolution and belief in God as Creator into account Henriksen's Life Love and Hope articulates a vision for understanding the relationship between God and human experience in contemporary terms Henriksen maintains that evolutionary theory does not account for all that can and must be said about human life and experience Conversely he also argues that any belief in God as Creator can be informed and deepened by knowledge of evolution Publisher's website

Lacan on Love Bruce Fink, 2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the

the Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas *Summa Theologiae* I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers *The New Jerusalem magazine and theological inspector* ,1828

The Prudence of Love Eric J. Silverman, 2009-12-02 The Prudence of Love How Possessing the Virtue of Love Benefits the Lover focuses upon the intersection of philosophical theological and psychological issues concerning love Eric Silverman advocates an account of the virtue of love derived from Thomas Aquinas's account of charity and makes three claims concerning love's effect on a person's happiness First he argues that there are at least five distinct ways that possessing the virtue of love contributes to the lover's happiness Surprisingly only one of these benefits is primarily relational while the other benefits are largely psychological Second Silverman argues that the combination of love's benefits typically increases the lover's overall level of happiness Finally he argues that possessing a loving disposition is a more reliable strategy for increasing one's overall happiness than possessing an unloving disposition Throughout The Prudence of Love Silverman demonstrates that love's benefits are identifiable according to all four major views of happiness

Imperfect Garden Tzvetan Todorov, 2009-02-09 Available in English for the first time Imperfect Garden is both an approachable intellectual history and a bracing treatise on how we should understand and experience our lives In it one of France's most prominent intellectuals explores the foundations limits and possibilities of humanist thinking Through his critical but sympathetic excavation of humanism Tzvetan Todorov seeks an answer to modernity's fundamental challenge how to maintain our hard won liberty without paying too dearly in social ties common values and a coherent and responsible sense of self Todorov reads afresh the works of major humanists primarily Montaigne Rousseau and Constant but also Descartes Montesquieu and Toqueville Each chapter considers humanism's approach to one major theme of human existence liberty social life love self morality and expression Discussing humanism in dialogue with other systems Todorov finds a response to the predicament of modernity that is far more instructive than any offered by conservatism scientific determinism existential individualism or humanism's other contemporary competitors Humanism suggests that we are members of an intelligent and sociable species who can act according to our will while connecting the well being of other members with our own It is through this understanding of free will Todorov argues that we can use humanism to rescue universality and reconcile human liberty with solidarity and personal integrity Placing the history of ideas at the service of a quest for moral and political wisdom Todorov's compelling and no doubt controversial rethinking of humanist ideas testifies to the enduring capacity of those ideas to meditate on and if we are fortunate cultivate the imperfect garden in which we live
