Just 23 Shy of 50 Shades of Ray Ray Bost,2025-07-30 I miss being able to sing It was a big part of my world something I gratefully enjoyed doing for more than fifty years It was always rewarding and a great and safe vehicle where I could display and express my emotions Freeing and cathartic are two words that come to mind woven deep in each opportunity to sing But time and Parkinson s disease have taken their toll and dramatically altered the landscape of my life My singing days are long gone given way to a treasure chest of cherished memories But the Lord has graciously gifted me with other opportunities to bare my soul It s been about four years since writing came in search of me Since then I ve been peering out through different shades and have been immersed in the use of the written word Beginning with essays that resonated deep within me I soon discovered there were others who were also affected by my efforts My hope is that today as you find yourself in the shade something you may read will land on your heart and simply brighten and add to your day Love to you Ray Bost
