

Visions Of Love

**I sit and think sometimes I would sink
What makes me see pink it is all the
Things we had thought about and
Breaking up kept popping out rising
Doubt and then you would shout why
Are you ignoring me I would drift
Searching for an uplift as my mind
Was scared stiff while tearing rifts**

**But inside you are spiff I would never
Let you jump off that cliff remember
No slips but still tears begins to drip
You would always say I was your Haven
Tis you was Mine no matter what Life
Throws at you the pain always hurt but
sometimes not loving you always hurt
A tad worse as the inner-self disperse
It must have been our blessing and a
Curse what was our relationship truly
Worth must have been girth lifting it**

**From the grounded dirt I valued you
More than Life itself it is what you had**

**Always said I took it like a sack of grain
Upheld it deep inside the brain between
Both lanes of veins and Somehow it keeps
Me sane your voice became in sync to the
Head Now lets break bread somehow it
Keeps me sane I wouldn't ever want our
Love to die in vain so many times I have
Hated Life but it provides insight now I**

**See the guiding Light taking flight I'm
Scared of These heights as it changes
In front of me and this will always be the
Setting Trends for the next centuries but
Don't forget your soul is the key to its
Centerpiece your heart never let it depart
As I drop on both knees hear my pleas
Don't ever let society erase what you
Mean to me A best friend from the start
That became Life's greatest work of Art**

Love Poems Love Life And Visions:

Love Visions Geoffrey Chaucer, 2006-05-25 Spanning Chaucer's working life these four poems build on the medieval convention of love visions poems inspired by dreams woven into rich allegories about the rituals and emotions of courtly love In The Book of the Duchess the most traditional of the four the dreamer meets a widower who has loved and lost the perfect lady and The House of Fame describes a dream journey in which the poet meets with classical divinities Witty lively and playful The Parliament of Birds details an encounter with the birds of the world in the Garden of Nature as they seek to meet their mates while The Legend of Good Women sees Chaucer being censured by the God of Love and seeking to make amends for writing poems that depict unfaithful women Together the four create a marvellously witty lively and humane self portrait of the poet
