Love Project Way:

The Love Project Way Arleen Lorrance, Diane Kennedy Pike, 1980 **The Love Principles** Arleen Lorrance, 2001 The Love Principles presents a broad very practical exploration of the transformational power of unconditional love Real life examples show how to make the difficult possible and demonstrate that joy can become commonplace The Love Principles encourages readers to lift up into the more of who they are to exercise creative jurisdiction over their minds feelings and bodies and to function with consciousness in all circumstances *Beauty'S Way* Lori Myles-Carullo, 2011-08-26 Inspired by the Navajo traditions Beauty Way this book acts as an exposition on various vital aspects of life as well as how to uncover and create true beauty within them all Author Lori Myles Carullo struggled with chronic illness for many years and through the depth of her own healing journey developed a passion for sharing the wisdom she gained in the process The essence of beauty explored here is neither about personal appearance nor image but rather the rich lived experience of the heart awakening to love and letting go of fear Each one of us has a great capacity for radical honesty courage and transformation and often life provides us with exactly what we need to draw these forth in dramatic and powerful ways Whether our wake up calls occur through loss transition illness or relationship struggles we all have the choice to either contract or expand through our experiences creating therefore less or more beauty in our lives and the lives of others Beautys Way gifts you with practical suggestions through personal story and anecdote of how to bring more beauty to your existence and to the greater whole Each chapter ends with specific exercises that will assist you in gaining greater awareness into key parts of life some naturally thought of as good such as love and joy as well as other more challenging ones that we often do our best to distract ourselves from due to fear including pain and grief By offering our heartfelt compassion and love to it all a greater realization and manifestation of healing beauty is forever possible **Love and Anger** Peter F Cohen, 2014-01-14 Love and Anger Essays on AIDS Activism and Politics is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP Containing both literary analysis and interviews with activists Love and Anger will help you understand the unique struggle of a certain class of gay men why the author challenges the belief that ACT UP is a radical group and why the love story is a central part of the literary response to AIDS Examining ACT UP in relation to class issues Love and Anger discusses how for certain middle to upper middle class men in the group ACT UP represented a political response not to fundamental social inequalities but to the fact that their class position could not benefit them in the absence of an AIDS cure In addition you will gain insight into the political methods and goals of ACT UP through interviews with ACT UP members and find out why the group is sometimes misperceived as being radical too gay or not gay enough Different from many other recent works Love and Anger also combines literary analysis with fieldwork in order to examine the literary response to AIDS from historical and sociological contexts not just a literary context Drawing on the fields of anthropology sociology political

science history and literary studies this text provides you with an original interpretation of a number of novels and plays including *Afterlife* a novel by Paul Monette and *The Normal Heart* a play by Larry Kramer both of which envision the return of the class privileges that certain gay men had before AIDS emerged *People in Trouble* a novel by Sarah Schulman which challenges gay men to stop striving for the privileges of straight males and instead to focus on an AIDS movement that will support all groups affected by the epidemic *Angels in America* a play by Tony Kushner which demonstrates the incompatibility of love and political struggle in literature about AIDS By examining AIDS activism and politics through the love story and through real life examples such as *ACT UP Love* and *Anger* integrates fact and fiction in a scholarly yet comprehensible manner It will give you a clearer understanding of the issues surrounding AIDS activism and politics as well as give you insight into the attitudes and feelings of those affected by the disease

Teaching Your Child to Love

Learning Judy Harris Helm, Stacy M. Berg, Pamela Scranton, 2004-04-10 The project approach has long been a tremendous tool for educators working with young children This is not an activity book but a book about doing in depth investigations about topics that interest your child and you The project approach stimulates your child's curiosity shows the advantages of learning academic skills such as reading writing and math and helps you build a strong relationship with your child as you share the adventure of learning together In this book we have adapted the approach to show parents grandparents and other caregivers how to do meaningful and exciting projects at home Featuring many photos of children doing project work this book thoroughly explains the benefits to both you and your child of doing projects together Ideas are given for transforming your home into a place to learn including guidance for collecting and storing materials making time for projects and documenting your child's work Seven complete examples of at home projects are shared Chapters also show you how to coach your child to build skills for reading and writing mathematical development scientific thinking and more Direction is also provided for adapting the project approach for use in family child care centers home schooling and gifted education

Power and Love Adam Kahane, 2010-01-04 The two methods most frequently employed to solve our toughest social problems either relying on violence and aggression or submitting to endless negotiation and compromise are fundamentally flawed This is because the seemingly contradictory drives behind these approaches power the desire to achieve one's purpose and love the urge to unite with others are actually complementary As Dr Martin Luther King Jr put it Power without love is reckless and abusive and love without power is sentimental and anemic But how do you combine them For the last twenty years Adam Kahane of Reos Partners and the University of Oxford has worked around the world on many tough and vital challenges food security health care economic development judicial reform peacemaking climate change In this extraordinary book he draws on this experience to delve deeply into the dual natures of both power and love exploring their subtle and intricate interplay With disarming honesty Kahane relates how through trial and error he has learned to balance them and offers practical guidance for how others can learn that balance as well

The Love Project Arleen Lorrance, 1972

The Two Arleen Lorrance, 2002 This timely and provocative spiritual thriller set in Washington D C explores whether good and evil are equal Nan Wallace outraged by her minister s sexual indiscretions struggles to understand why he suffers no consequences Her anger ignites a quest to discover the true relationship between good and evil Nan and her best friend Martha make a series of conscious choices that throw their friendship their marriages and the world around them into chaos Surprising twists and turns in the plot challenge the reader to acknowledge that all human beings are capable of all things

Godly Love Matthew T. Lee, Amos Yong, 2012-01-01 Godly Love Impediments and Possibilities examines the theory of Godly Love understood as including a vertical axis denoting the love of God and a horizontal axis involving the love of others is at the core of a new field of research that studies how divine love influences the love of others and vice versa It is a multidisciplinary research program into the benevolent expressions of the Great Commandment of the Christian tradition involving the theological and social sciences Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation This book focuses on the problems confronting challenging prohibiting and perhaps even resisting the concrete expression of Godly Love in the world utilizing a range of theological and especially social scientific methodologies

The Form of Love James Kuzner, 2021-08-03 Can poetry articulate something about love that philosophy cannot The Form of Love argues that it can In close readings of seven metaphysical poems the book shows how poets of the early modern period and beyond use poetic form to turn philosophy to other ends in order not to represent the truth about love but to create a virtual experience of love in all its guises The Form of Love shows how verse creates love that can t exist without poetry s specific affordances and how poems can in their impossibility prompt love s radical re imagining Like the philosophies on which they draw metaphysical poems imagine love as an intense form of non sovereignty of giving up control They even imagine love as a liberating bondage to a friend a beloved a saint a God or a garden Yet these poems create strange striking versions of such love made in rather than through the devices structures and forces where love appears Tracing how poems think Kuzner argues requires an intimate form of reading close even too close attention to and thinking with the text Showing how poetry thinks of love otherwise than other fields the book reveals how poetry and philosophy can nevertheless enter into a relation that is itself like love

more **Love and Society** Swen Seebach, 2017-04-21 Why does love matter Love and Society discusses the meaning and importance of love for contemporary society Love is not only an emotion that occurs in our intimate relationships it is a special emotion that allows us to relate to each other in a lasting fashion to create out of our individual pasts a shared past which enables us to project a shared future Bringing together the idea of Simmel's second order forms with theories of love this insightful volume shows that the answer to why love is so central to society can be found in the social transformation of the last two centuries It also explains how we can build our strongest social bonds on the fragility of an emotions thanks to the creation of special moments love rituals and intimate stories love myths that are central to the weaving of lasting social bonds Going to the cinema reading a book together or sharing songs are forms of weaving bonds of love and part of the cycle of love But love is not only shared between two people the desire and the search for love is something we share with almost all members of society With rich empirical data an analysis of love's transformation in modernity and a critical engagement with classical and contemporary theorists this book provides a lively discussion on the meaning and importance of love for today's society It will be of interest to undergraduate and postgraduate students and postdoctoral researchers who are interested in fields such as Sociology of Emotions Sociological Theory and Sociology of Morality *Cowboy, Love Me Again: A steamy second chance cowboy romance* Genevieve Turner, 2022-06-23 One tough cowgirl one unshakable cowboy and a second chance at forever Lark Westfall was raised tough in a family of brothers and has built a life where she needs no one not even Ansel Sterling the steady family friend who's always been there for her Their one wild night together was supposed to be forgotten even if Ansel's persistence makes her want to throw caution to the wind Again But Ansel can't forget While he's poured his heart into saving the family feed store he's never stopped hoping Lark will let him back in He's willing to wait even if it means pretending that night never happened Then one scorching stolen kiss at the county fair turns their polite lies upside down and Lark and Ansel finally have to face the attraction burning between them Can these two stubborn hearts risk a second chance and find their way to forever This small town romance has the following awesomeness A cinnamon roll hero who's the strong silent type A second chance after a one night stand A magical mirror A spunky Jack Russell terrier County fair shenanigans second chance cowboy ranch western contemporary steamy sexy hot romance cowgirl cowboy cinnamon roll second chance one night stand friends to lovers opposites attract attraction steamy spicy swoony hero modern western books book novel series novels small town ranch hero helps heroine frontier resilient heroine quirky [Love in the Time of Ethnography](#) Lucinda Carspecken, 2017-11-15 Love in the Time of Ethnography explores love variously defined as an important facet of human life and a worthy focus of study The authors look at love in association with an Alevi and Sunni couple in Turkey organizers of Mexican American and immigrant youth movements Christian missionaries in China an elderly man with dementia two women coming home to queer identity a White researcher working with Black women in the US the common ground between Dogen's Zen teachings and Habermas's critical theory an Albanian Sufi community in Michigan and

interactions between humans and the natural world It also includes theoretical writing on the place of love in social analysis whether this involves relationships between researchers and participants or the nature of human connection itself The authors argue that social research is an affective process as well as a cognitive one and that fellow feeling is an essential component of making sense of the world Along with more traditional scholarly forms the contributors to this book use auto ethnography life stories archival research and poetry noting that style itself conveys information and emotion Writing is always to some extent partisan While anthropologists and other social researchers have explored this idea over the last few decades they have more often explored it with an eye to critique than to the ideals underlying that critique This is a collection of essays about what ethnographers are aiming for as well as the problems they address and the authors discuss ethical principles like *agape* *hizmet* and *cari o* as rationales for ethnography and rationales for social change

Love for All Pasquale De Marco, 2025-07-13 *Love for All* is a comprehensive exploration of the many facets of love In this book we will examine its different forms its origins and its impact on our lives We will also discuss the challenges that love can bring and how we can overcome them Through this exploration we hope to gain a deeper understanding of love and its role in our lives We hope to learn how to love more fully and unconditionally and how to create more loving relationships with ourselves with others and with the world around us *Love for All* is divided into ten chapters each of which focuses on a different aspect of love The chapters cover topics such as the definition of love the different types of love the importance of love love's impact on society love's challenges the art of loving love in relationships love and loss love and forgiveness love and compassion love and gratitude love and joy and love and fulfillment This book is a must read for anyone who wants to learn more about love and its role in their lives It is also a valuable resource for anyone who is struggling with love in any way *Love for All* is a book that will change the way you think about love It will help you to understand love more deeply to experience love more fully and to create more loving relationships in your life The book is written in a clear and engaging style making it accessible to readers of all backgrounds It is also well researched and provides a solid foundation for understanding the complex nature of love If you like this book write a review

[Life, Love, and Hope](#) Jan-Olav Henriksen, 2014-11-10 Taking both knowledge of evolution and belief in God as Creator into account Henriksen's *Life Love and Hope* articulates a vision for understanding the relationship between God and human experience in contemporary terms Henriksen maintains that evolutionary theory does not account for all that can and must be said about human life and experience Conversely he also argues that any belief in God as Creator can be informed and deepened by knowledge of evolution Publisher's website
