**Life-study of Luke** Witness Lee, 2023-09-26 Luke's Gospel reveals God among men in His saving grace given to fallen mankind In the Life study of Luke Witness Lee shows that the purpose of Luke's Gospel is to present the Savior as a genuine normal and perfect man It gives a complete genealogy of the man Jesus from His parents back to Adam the first generation of mankind and shows that He is a genuine descendant of man a son of man Witness Lee demonstrates that Luke's record of the life of this man impresses us with the completeness and perfection of His humanity Hence his Gospel stresses the Lord as the Man Savior It is the Gospel written to mankind in general and it announces the good news to all people It is a Gospel to all sinners both Jewish and Gentile Since it is such the sequence of its record is according to morality not according to historical events

**The Son of Man in the Gospel of Luke** Tessandra Swanson, 2010 Jesus' Exposition of the Old Testament in Luke's Gospel Charles Kimball, 1994-03-01 This work presents an inductive exegetical analysis of Jesus' exegetical methods and expositions in Luke's Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations This study offers the following conclusions In Luke's Gospel Jesus expounded Scripture as the basis for understanding his person and ministry teaching his followers and inquirers and debating his religious opponents He employed many of the exegetical methods of ancient Judaism Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself In turn he influenced the early church's biblical expositions in considerable measure Jesus expounded Scripture for Christological and doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old Testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed peshar fulfillment motifs and several midrashic techniques to show that the

Origins of New Testament Christology Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco-Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco-Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new

significance in light of Jesus Christ This accessible and up to date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus     *The Lamb of God* Sergei Nikolaevich Bulgakov, Sergius Bulgakov, 2008-01-02 What is our participation in the divine humanity In explaining this important doctrine Sergius Bulgakov begins by surveying the field of Christology with special reference to the divine humanity He considers the role of the Divine Sophia examines the foundations of the Incarnation explores the nature of Christ s divine consciousness and ponders Christ s ministries while on earth A profound discussion of Christ s kenosis as a model for humanity rounds out this comprehensive and valuable study The Lamb of God is one of the greatest works of Christology in the twentieth century and a crowning achievement in the examination of the theology of divine humanity     **Dictionary of Jesus and the Gospels** Joel B. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels     **The Spiral Gospel** Rob James, 2022-01-01 How did the author of the Gospel of Luke intend it to be read In The Spiral Gospel Rob James shows that the assumptions many modern readers bring to the text that it claims to be historically factual or merely regurgitates existing stories are not those of antiquity Building on the central insight that it was written for a community who would have used it as their pre eminent text James argues convincingly for a continuous cyclical reading of Luke s narrative The evidence for this view and also its consequences can be seen in the gospel s intratextuality Context is given at the end of the gospel that informs the beginning and there are countless other intratextual elements throughout the text that are most readily noticeable on a second or subsequent reading This deliberate creative interweaving on the author s part opens up new levels of appreciation and faith for those who read in the way Luke s first audience received his work     **Luke's Gospel from Scratch** Donald L.
