Luke And John:

The Gospel Jongwoo Han, 2016-07-15 This book merges and harmonizes the four Gospels of Matthew Mark Luke and John into one This unified version which I call The Gospel is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry I consolidated these sources by identifying common denominators among them as well as parts that are unique to each and then interweaving it all into a single narrative using only original texts This integrated version may offer greater incentive to our youth laymen and non believers as well as professionals to read and learn more about what Jesus did and taught Acts 1 1 In the past there have been many attempts to make the four Gospels easier for readers often displaying similar episodes in parallel columns in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another however in regard to the text itself previous books do not rise to the level of precision and completeness that is achieved here Answering this need for a clear chronological telling of The Story of Jesus this book unifies every account of the four Gospels into a single story without omitting or compromising any part On a given topic in Jesus ministry this book uses as its base whichever gospel is the greatest common denominator consolidates identical or similar parts from other Gospels and integrates the unique and different elements of each book into a single story

Exploring the Word of God: the Four Gospels J. Feazell, Michael Morrison, Joseph Tkach, Jim Herst, Paul Kroll, Tim Finlay, 2013-06-25 The person and work of Jesus Christ is at the heart of Christianity So we would expect the Christian Scriptures to include an account of Jesus life But why do we have four the Gospels According to Matthew Mark Luke and John Isn t this redundant Wouldn t one be enough On the contrary our knowledge of Jesus Christ would be incomplete if we had only one Gospel Or even if we had three Gospels but were missing one Matthew Mark Luke and John each told the story from a different perspective because each had a different audience in mind We tend to blur these four distinctive portraits of Jesus together But knowing how an act or saying of Jesus fits in with each author s perspective can greatly enhance our understanding of its meaning In this volume we examine how each Gospel differs from the others and numerous detailed studies This volume includes 95 articles about the four Gospels collected from Christian Odyssey magazine and other publications of Grace Communion International Illustrations by Ken Tunell The articles were written over a span of 20 years from the 1990s to 2013 They have been edited for this collection

A Detailed Outline of Matthew, Mark, Luke and John Leland McClanahan, 2014-10-17 The first four books of what is commonly referred to as the New Testament are The Gospel according to Matthew The Gospel according to Mark The Gospel according to Luke and The Gospel according to John The reader will find many of the same stories told in each of the gospels but from a different point of view according to the author The reader will notice specific and comparable attention to detail from each author s gospel A Detailed Outline to Matthew Mark Luke and John was written to guide and help the reader understand the order of events during this era The purpose of this outline is to help the reader identify the main points of each of the gospels thereby enabling the reader to

gain revelation as they study Dr Leland McClanahan has done an outstanding job in summarizing the main points of each book and putting it in a format that is easy to follow along **Matthew Mark Luke and John** David Reed,2017-11-17 A DISCIPLE IN THE GARDEN of Gethsemane cuts off the ear of the high priest s servant according to all four Gospels But only John tells us the servant s name and that it was Peter who wielded the sword And only Luke tells us that Jesus healed the wound This book allows you to see all of this at a glance THE FOUR GOSPELS are presented here in parallel columns in roughly chronological order with corresponding passages side by side Among the differences that set this work apart from others are its use of the World English Bible its copyright free status and its readable arrangement of the text THE WORLD ENGLISH BIBLE which provides the Gospel texts used in this book is a copyright free modern English translation Editor DAVID A REED served for a decade as a contributing editor of Dr Walter Martin s Christian Research Journal and has taught at Spurgeon s annual School of Theology at London s Metropolitan Tabernacle He has authored twenty books on Bible topics Reed is pastor of Immanuel Baptist Church in New Bedford Massachusetts *The Traditions Common to the Gospels of Luke and John* John Amedee Bailey,1963 Since the finding of the first of the scrolls at Qumran in 1947 the discovery that elements in various documents of the Dead Sea covenanters are similar to material in the gospel of John has strengthened the position of those who stress the existence of much genuinely Palestinian material in the fourth gospel The effect of this has been to raise once again the old question as to whether John s gospel may not in fact be earlier than and therefore independent of the synoptic gospels The present writer believes that an analysis of the material of Luke s and John s gospels at the points occurring above all in their accounts of the events of the passion and the events following the resurrection at which the two gospels agree with each other but depart from Mark and Matthew shows that John in at least some of these places was dependent on Luke s gospel in its present form The present monograph consists of such an analysis and in the writer s opinion proves that John though his gospel unquestionably contains much genuinely Palestinian material did draw on Luke and therefore cannot have written his gospel earlier than the eighties of the first century AD The Gospels Mark L. Strauss,2018-02-01 The four New Testament books known as the Gospels give us a rich perspective into the life of Jesus While each may focus on various spiritual themes or present different aspects of Jesus s earthly life each gospel should be respected and appreciated for its literary and historical integrity Each writer s gospel book fueled by the Holy Spirit gives a unique window into who Jesus Christ is and what He came to accomplish Together they weave a beautiful tapestry of the story of salvation *Mark, Matthew, Luke and John: The 4 Gospels* John Howard Reid,2014-03-28 Newly translated from the best recently available Greek texts this book presents not only the Gospels of Mark Matthew Luke and John placing them in their correct order of composition but fresh translations of other New Testament books as well The author is not an adherent of any particular Christian religion and is therefore free to report what Jesus actually said what Mary and the apostles actually thought not what various religious bodies think they ought to have said or ought to have thought Mary emerges as a

real person Extensive notes accompany the text for readers who wish to probe deeper into the Gospels their philosophy and their authorship Other New Testament documents translated in this book include the three letters by John the Elder the Letter to Christian Exiles often incorrectly identified in other Bibles as written by Peter the Apostle but actually credited by Peter himself to Silvanus plus Paul s disputed First Letter to Timothy as well as his disputed Letter to Titus *Matt Mark Luke John* Mike Yeager,2019-11-25 In the Bible there are four biographies of Jesus written by master storytellers Matthew Mark Luke and John all tell the story of Jesus time on earth from unique perspectives with the goal of convincing every reader that Jesus is good and worth following Over the years though to make it more readable people added things to these biographies also called gospels They broke the biographies up into chapters and added numbers to mark verses and even put the words into columns Again this was to help make these Jesus stories easier to read But to me all of those things can actually make it more difficult to read I don t like the stories of Jesus feeling like a textbook I like the stories of Jesus feeling like stories So I took the stories of Jesus removed those numbers and titles and columns and gave the words breathing room so they can tell the story of Jesus as well as possible Whether it s your first time reading these stories or your hundredth I hope you get a sense of the power of the story of Jesus and how He s good and loving and worth trusting I hope His story impacts the story you re living *Luke, John, and Acts: Background, Outline and Commentary* Willis C. Newman,2010-05-18 This book includes background material on the four Gospels of Luke John and the Book of Acts In addition it gives an outline analysis and commentary on the two Gospels It also summarizes the life of Christ and tackles such issues as the synoptic problem Several special topics are explained for example demons marriage and divorce Judas hell Josephus and Jesus miracles and the Trinity **Redating Matthew, Mark and Luke** John Wenham,2020-07-20 This groundbreaking study poses a solution to what one scholar has called one of the most difficult research problems in the history of ideas the Synoptic problem The phenomenon and mystery of three similar but different Synoptic Gospels has for centuries challenged some of the best minds of academia and the church How can we explain the differences and similarities among Matthew Mark and Luke Which Gospel was written first To what extent did the Evangelists depend on oral tradition written sources or each other John Wenham courageously opposes the reigning two document theory that Mark was the first Gospel with Matthew and Luke independently using Mark and a lost source of sayings of Jesus labeled Q Through careful argument and analysis he seeks to defend an alternative theory that satisfactorily accounts for what he argues is some degree of structural dependence but nevertheless a surprising degree of verbal independence among the Synoptics This brave new revisioning of the writing of the Synoptics redates Matthew Mark and Luke prior to A D 55 Insightful and provocative Redating Matthew Mark and Luke offers a fresh look at a hard problem as well as an interesting perspective on the inner workings of the early church It is a book to be reckoned with and sure to stir up scholarly controversy **Gospel** N. R. Russell,2015-03-03 N R Russell s GOSPEL combines the four New Testament Gospels into a single easy to read narrative of the life death and

resurrection of Jesus Christ Why read GOSPEL Why not just read the Bible Unlike the Bible GOSPEL is written entirely in chronological order There s no skipping back and forth from book to book trying to piece together a coherent story Neither does one have to read several different versions of the same thing to get the complete story And there are no verse numbers or intrusive chapter divisions to encumber reading Who should read GOSPEL Anyone who enjoys a great story GOSPEL is a fast paced story of love mystery suspense betrayal bodies coming out of tombs pigs possessed by demons everything the modern reader craves and much much more Who else should read GOSPEL Anyone who would like to read the true story of Jesus free of anybody else s interpretation of what it means Is there anybody else who should read GOSPEL Women should read GOSPEL Women are central to the story of GOSPEL from the Virgin Mary to Martha and her sister Mary whom Jesus loved to Mary Magdalene from whom Jesus exorcised multiple demons Were you aware that Jesus had sisters or that many wealthy women were His benefactors Read GOSPEL and find out about all the women in Jesus life Young readers twelve and older also will enjoy reading GOSPEL Not a single word is unsuitable for kids Who else should read GOSPEL You know the answer **The Gospels, Matthew, Mark, Luke, and John** Donna Love,2020-07 This book combines the Gospels Matthew Mark Luke and John into One Novel Narrative *The Gospels* ,2017-05-24 This book presents the Christian Gospels Matthew Mark Luke and John in a color coded Greek English verse by verse format Each verse of the original Greek is followed by its English translation The work also includes brief guidelines for language instructors and detailed outlines of the Gospels themselves The Greek text is adapted from The New Testament in the Original Greek originally published by Brooke Foss Westcott and Fenton John Anthony Hort in 1881 Italic d104 indicates words added in the English translation to make better sense of the Greek original Since Greek lacks an indefinite article a or an for instance these must always be added Blue d104 indicates words spoken by the Father or by the Lord s Angel The endnote numbering in each Gospel also appears in blue Red d104 indicates words spoken by Jesus Green d104 represents quotations from scripture [The Parallel Gospels And Reference Passages, Matthew, Mark, Luke And John](#) Anonymous,2025-05-22 The Parallel Gospels And Reference Passages Matthew Mark Luke And John offers a comparative analysis of the four Gospels presenting the texts side by side to illuminate their similarities and differences This arrangement allows readers to easily examine parallel accounts identify unique perspectives and gain a deeper understanding of the life and teachings of Jesus Christ By juxtaposing the narratives of Matthew Mark Luke and John this work facilitates a comprehensive exploration of the Gospels historical theological and literary dimensions Ideal for scholars students and anyone interested in biblical studies this volume provides a valuable resource for navigating the rich and complex tapestry of the New Testament The parallel presentation enhances comprehension and encourages critical engagement with the foundational texts of Christian faith Discover fresh insights and foster a more profound appreciation for the enduring significance of the Gospels This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the

Matthew, Mark, Luke and John, 1974 Matthew Mark Luke John Four Gospels One Story Daniel Ames, 2020-02-21 Matthew Mark Luke and John 4 separate accounts of Messiah Yeshua Christ Jesus interwoven into a single story based entirely upon the 4 Gospels This is a most detailed account of the Life of Yeshua as the 4 Gospels all have information unique to themselves For example Matthew 4 goes from the Temptation after fasting straight to the Sermon on the Mount in chapter 5 leaving out all the details in between such as Peter bowing before Yeshua after overloading his boat with fish and the account of John the Baptist giving his witness of Messiah and let's not forget the gathering of the disciples which takes place before the Sermon on the Mount I personally never noticed these details until the Lord led me to merge the stories and was absolutely blown away how the stories interweave so perfectly Yet I digress knowing that God must have hidden the depth of this vision until now By no means does this replace any of the 4 Gospels I hope that you continue to study them as they are however this is what the life of Yeshua likely looked like based on the information provided in all 4 Gospels this is the interpretation given to me by the Holy Spirit of YHWH Certain Parables can only be found in Matthew like the Sheep and the Goats and some only in Luke such as the Prodigal Son There is a lot of information specific to the Gospel of John and so I am very excited to present Matthew Mark Luke and John as told in a single flowing account by merging the details together to get the most detailed possible picture This account is like reading Matthew Mark Luke and John all at once without rereading the same stories that are in common and covering

the details that are specific While like reading the 4 Gospels back to back it is not as long because you wont reread the same thing 4 different times in some cases but it is much longer than any one of the Gospels because all the details that are unique are interwoven using timing context words time of year etc This was a super complicated task only made possible by the Holy Spirit I am releasing this as a 1st edition because as I read over this for the next few years I will likely catch the things that I am not noticing now slowly improving the storyline until it is perfect For now I am with great love revealing all that I have been shown up till now may it be as much as blessing to you as it as been to me Having combined the 4 Gospels I have a much clearer vision of Messiah Yeshua and his life from birth to ascension You will see Yeshua Jesus in a way you never have before of that much I am sure May the Grace of our Lord Messiah Yeshua be with you all Amen The Copyright is only meant to stop people from stealing and reselling apart from that you can use any part of it for any and every other reason
