Luke The God Who Cares:

The Gospel of Matthew William Barclay,1968 **Spiritual Practices of Jesus** Catherine J. Wright,2020-10-06 Luke's Gospel was written to transform Exploring Luke's portrait of the spirituality of Jesus Catherine Wright focuses on the themes of simplicity humility and prayer in Jesus life and teaching considering how readers have understood and employed key Lukan passages for spiritual formation from the first century and the ancient church to today **Quiet Time Questions With Jesus** Rev. Phil Mortensen,2015-11-24 Jesus asked 324 questions in the gospels Reflecting on these questions could be a real boost to one's devotional life My hope and prayer is that a daily quiet time with the Lord meditating on these questions will be a great blessing in your life Pastor Phil [Be Transformed](#) Micah D Kiel,2024 Be Transformed brings together Catholic Social Teaching and Scripture and applies them to instances of injustice in our world today When understood together Catholic Social Teaching and Scripture will profile authentically Christian ways to live in a world dominated by greed division environmental destruction and violence Be Transformed will deepen our understanding and challenge readers to consult these traditions when making life decisions **The Collegeville Bible Commentary** Robert J. Karris,1992 The Collegeville Bible Commentary is available in an affordable two volume paperback edition Special ease binding allows the volumes to lie open without assistance Perfect for classroom use or personal study **Bible pictures for little people, illustrating New Testament scenes and incidents** Harry (uncle, pseud),1883 **Apocalypse When?** Leah D. Schade,Jerry L. Sumney,2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant a tool for fearmongering and manipulation or for the lucrative doomsday industry But Apocalypse When Interpreting and Preaching Apocalyptic Texts equips readers to understand these texts as sources of encouragement and strength for the church As the world faces threats of war poverty climate and environmental crises and political upheaval churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions Their struggles against powerful economic militaristic cultural and social forces drew them closer to God We have much to learn from their faith ethical integrity and dedication to the promises of God that engender hope in the midst of turmoil and terror With solid historical exegesis thought provoking ideas for preaching and examples of sermons that creatively and compellingly proclaim God's word this book provides much needed guidance for the church in tumultuous times **NLT Courage For Life Study Bible for Men** Tyndale,2023-11-07 Men face frequent challenges to show courage to take a stand to step into danger and to do the right thing The biggest challenge men face though is seeing our weaknesses and recognizing God's truth over the lies our culture is telling us The Courage For Life Study Bible for Men is a strong and rigorous study Bible featuring a Bible study on every page for men seeking to demonstrate godly courage and to discover the God who transcends all limitations and transforms anyone who follows him This Bible will help men break old patterns and experience transformation as they study and understand God's Word and invite God's work in their lives This Bible is unlike any other on the market Features of this

Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal

human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity

St. Luke's Missiology Harold E. Dollar,1996-06-01 How the Gospel Won the World Luke s writings make up over one fourth of the New Testament Yet despite an array of research studies of Luke and Acts frequently miss the missiological contributions that Luke makes to the story of early Christianity Accordingly *St Luke s Missiology* explores many of the fundamental contributions of Luke s two volume work as he tells how a small Jewish sect became a worldwide movement in just one generation Although this work focuses on Acts part one discusses the essential unity of the two volumes Part two considers key events that shape the church s mission to the Gentiles The final section highlights several applications for missiological practice Luke narrates the history of the Christian movement from a divine perspective His story of how the gospel moves from the particular to the universal gives insight into the missiological dynamics of early Christianity and provides models for the church and missions today

Reading the Bible across Contexts Esa J. Autero,2016-06-10 In *Reading the Bible Across Contexts* Esa Autero offers a fresh perspective on Luke s poverty texts In addition to an historical reading he conducted an empirical investigation of two Latin American Bible reading groups one poor and the other affluent to shed light on Luke s poverty texts The interaction between historical reading and present day readings demonstrates the impact of socio economic status on biblical hermeneutics and sheds new light on Luke s views on wealth and poverty At the same time Esa Autero critically examines
