shall be dense the sun will seem to be gone for millions as blackness encircles them The Spirit of Doom will rejoice Even some waves of insanity shall arise with great speed like a hungry sea monster to lick the face of earth like it was only melting red ice As a result the earth as it will then be known shall began to melt away from that cold shoulder of hatred under many brand new waters of many sorry sorrows that shall be very sure to turn the planet inside out upside down and back again as it will rapidly go belly up and six feet under It shall therefore become the time of desolation a time of carnage a moment of agony and a period when evil souls shall have a license to kill permission to maim and give no applause when they only injure All the world shall joyfully watch and all the wicked ones of the world shall laugh as madmen as a frothy river of blood is unexpectedly unleashed upon repentant innocents of the Most High Then shall chaos come alive with murder on his depraved mind Nor shall that greedy wretch ever be happy with little injuries For that vain spirit of utter contempt shall happily cause the heavens to roar and the earth to rumble and the utter darkness of shadowy character shall unexpectedly loom as the spirit of the heaviest heaviness then swiftly sweeps in like a blistery gale of no good A lunatic shall abruptly be like a bolt of lightning that shall crackle as a hen and a great fire of terrible destruction shall quickly break out and where those incinerating flames of unspeakable calamity are fanned it shall keep keep on thickening into a morbid inferno of boiling red hot emotion ready to kill ready to dismember and more than ready to come against anything honest that dares to get in its way Then the drunken spirit of death serial killer style shall reign with slobber drooling down its mouth as darkness darkly rules For the intense animosity of many bitter and angry souls will be extremely frightful to behold Even the wrathful fallen angel of the screaming wind of madness will see all of the horrors of many rocky hearts combined And lo Tremendous shall be the deepest foul emotions that this demon shall help to bring forth from many blood crazy crazies like many springs of inflaming Sulphur that will flash from beneath his wings Hark his strong voice shall the silence break and many screams shall be screamed and many saddened cries will be ignored Mad chaos from the chains of death shall run the rampant like a plague that suddenly awakes to pour out many fevers of infirmity in order to collect the corpses of many multitudes Then shall a warm deluge of plasma burst into a deathly flame of no more second chances as children of the king are given crowns of thorns to wear The Sick earth shall then utter some convulsive groans from shore to shore as people are slain for their happiness And even nature shuddering shall feel the horrid roar of much laughter as helpless souls are tied down with a cage around their heads just to feed some hungry rats Then the expanded waters of a multitude of tears shall gather quickly on the plain and they will rapidly began to float away the fears of the living by making them to be dead Then as that satanic spirit of death rushes onwards with a sweepy red sway they shall flow as a flood of the greatest woe 1 And if all of the above wasn't bad enough the ancient prophecy of Lazarus added Behold the dreadful wailing of the sodomites who wallow in morbid blood issuing forth from the putrid bladder of Satan Your guts will be spun on the loom of judgement to drip like pus into the mouths of the unconverted 2 You will become like shit on the shoe of Lucifer the gristle in a pool of Demonic vomit

**Mythologies of Violence in Postmodern Media** Christopher Sharrett,1999 This anthology examines a number of

issues related to violence within the media landscape Violence has been a topic of continued concern within American culture and society Although there have been numerous sociological and historical studies of violence and its origins there is relatively little systematic analysis of violence within media representation even as this issue becomes preeminent within public discourse This anthology examines a number of issues related to violence within the media landscape using various methodologies to suggest the implications of the increasing obsession with violence for postmodern civilization *Sequels* Janet G. Simpson, 2000 Philip L Simpson provides an original and broad overview of the evolving serial killer genre in the two media most responsible for its popularity literature and cinema of the 1980s and 1990s The fictional serial killer with a motiveless highly individualized modus operandi is the latest manifestation of the multiple murderers and homicidal maniacs that haunt American literature and particularly visual media such as cinema and television Simpson theorizes that the serial killer genre results from a combination of earlier genre depictions of multiple murderers inherited Gothic storytelling conventions and threatening folkloric figures reworked over the years into a contemporary mythology of violence Updated and repackaged for mass consumption the Gothic villains the monsters the vampires and the werewolves of the past have evolved into the fictional serial killer who clearly reflects American cultural anxieties at the start of the twenty first century Citing numerous sources Simpson argues that serial killers recent popularity as genre monsters owes much to their pliability to any number of authorial ideological agendas from both the left and the right ends of the political spectrum Serial killers in fiction are a kind of debased and traumatized visionary whose murders privately and publicly re empower them with a pseudo divine aura in the contemporary political moment The current

fascination with serial killer narratives can thus be explained as the latest manifestation of the ongoing human fascination with tales of gruesome murders and mythic villains finding a receptive audience in a nation galvanized by the increasingly apocalyptic tension between the extremist philosophies of both the New Right and the anti New Right Faced with a blizzard of works of varying quality dealing with the serial killer Simpson has ruled out the catalog approach in this study in favor of in depth an analysis of the best American work in the genre He has chosen novels and films that have at least some degree of public name recognition or notoriety including Red Dragon and The Silence of the Lambs by Thomas Harris Manhunter directed by Michael Mann Henry Portrait of a Serial Killer directed by John McNaughton Seven directed by David Fincher Natural Born Killers directed by Oliver Stone Zombie by Joyce Carol Oates and American Psycho by Bret Easton Ellis
