The core of the work is the script of the play itself which is accompanied by a description of the script development process from the research in the field to rehearsals for public performances. In a supporting essay the author argues that both ethnography and theatre can be understood as designs for being together in unusual ways and that both practices can be deepened by recognizing the vibrant social impact of interdependency animated by vulnerability as identified by disability theorists and activists.

Staring at the billows of smoke that now engulfed downtown she realized that the world had changed forever. This was not a scene from some far away war torn place. This was New York City. Her country's freedom now under attack. Suzanne finds herself without a job and without a purpose. Finding a severance notice in her inbox she leaves behind her comfortable executive lifestyle and journeys alone beyond her comfort zone to liberate her spirit and claim personal freedom. Suzanne takes us on a rich personal odyssey returning home one year later to Ground Zero where it all began.
