PEOPLE OF MEXICO

By Joseph W. F. Stuppelman

An informative and colorful introduction to the Mexican people, written by a journalist who has lived and worked in their country. Every year, great numbers of American tourists cross the border into Mexico; they wander among Aztec and Mayan ruins, gaze at churches and cathedrals, seeing all that is possible of Mexico "on the outside"—but their real contact with the Mexican people is virtually nil.

In this book Joseph W. F. Stuppelman tells of his persistent and often successful efforts to get better acquainted with the Mexicans—particularly with the Indians—and to become familiar with their attitudes and their way of life. He takes his readers on visits to a number of towns, villages and hamlets, to markets and industrial establishments. He introduces them to all sorts of people, of various classes and tribes and of widely divergent outlooks on life. He reveals an abiding affection for the Mexicans and for the breathtaking beauty of their country, although he does not gloss over the harsh existence of the back-country peons. His evocative account is enhanced by 69 photographs showing present-day life in Mexico.

"Told with humor, sympathy and tolerant objectivity"—
American Library Association.

"A realistic look at the people and their culture . . . amusing incident, significant detail, vivid descriptions, shrewd observations."—*Wichita Falls Times.*

"A charming book . . . written with lighthearted, genuine affection and understanding . . . fine photographs."—*Colorado Daily Sentinel.*
