*Moscow and the Emergence of Communist Power in China, 1925-30* ,      *The Bolsheviks and the Chinese Revolution 1919-1927* Alexander Pantsov,2013-10-23 Based mainly on unknown Russian archival sources which have previously been unobtainable this book analyses the Bolshevik concepts of the Chinese revolution and their reception in China Issues include the role of the three Bolshevik leaders Lenin Stalin and Trotsky in trying to lead the Chinese Communists to victory the real nature of the Trotsky Stalin split in the Comintern and a dramatic history of the Chinese Oppositionist movement in Soviet Russia      *The Rise to Power of the Chinese Communist Party* Tony Saich,Benjamin Yang,2016-09-16 This collection of documents covers the rise to power of the Chinese communist movement They show how the Chinese Communist Party interpreted the revolution how it devised policies to meet changing circumstances and how these policies were communicated to party members and public      *Making the Foreign Serve China* Anne-Marie Brady,2003-09-08 This book provides the first detailed analysis of a crucial and distinctive element of Chinese foreign policy Anne Marie Brady follows the development of the Chinese Communist Party s foreign affairs system since 1921 focusing on waishi the external policies intended to influence and control both foreigners themselves as well as Chinese citizens contact with and perception of outsiders The term also comprises China s external relations both official state to state and so called unofficial or people to people diplomacy In effect waishi activities encompass all matters related to foreigners and foreign things not merely diplomacy By managing the foreign presence in China and China s contacts with the outside world and by controlling the Chinese population the author argues that waishi has proven to be one of the most effective tools in the CCP s repertoire for building and then sustaining its hold on power Drawing for the first time on policy documents that underpin the phenomena they describe Brady analyzes trends and developments in waishi during each chronological period The book elucidates how the CCP s policies evolved In the 1930s the need for a broad united front in international relations warred with the desire to control the foreign presence in China in the 1940s and 1950s the Sino Soviet alliance and ridding China of the traces of the semi colonial past took precedence in the 1960s the Sino Soviet split led to China s claim as the center of world revolution and in the past twenty years of reform the focus has been the ongoing quest to create a modern nation state as China opens up to the outside world The author considers waishi s deeper meaning as an overriding approach to the foreign which links state to state diplomacy with the management of the foreign presence in China Her groundbreaking research is based on a previously unexplored genre of waishi materials almost all classified in Chinese extensive interviews

with waishi officials and foreign participant      **Uncertain Dimensions** Raymond F. Betts,1985 Examines the ruling and development of colonies in Africa and Southeast Asia by Great Britain and France during the period between the world wars

**Lu Xun's Revolution** Gloria Davies,2013-04-08 Recognized as modern China s preeminent man of letters Lu Xun 1881 1936 is revered as the nation s conscience a writer comparable to Shakespeare or Tolstoy Gloria Davies s vivid portrait gives readers a better sense of this influential author by situating the man Mao Zedong hailed as the sage of modern China in his turbulent time and place      **Mao** Alexander V. Pantsov,Steven I. Levine,2013-10-29 Originally published in a different version in 2007 in Russian by Molodaia Gvardiia as Mao Tzedun Title page verso      The Northern Expedition Donald A. Jordan,2019-03-31 The Chinese state of the 1920s was one of disunified parts ruled by warlords too strong for civilians to oust and too weak to resist the demands and bribes of foreign powers China s treaty ports were crucibles of change in which congregated the educated elite exposed to modern ways who felt the need for a national revolution to revitalize their country and to provide her with a new more integrated political system Nationwide in their origins and representing varying political ideologies this elite formed a loose coalition to achieve a common goal In 1926 the first step in the military campaign known as the Northern Expedition was launched to conquer the armed forces of the warlords the greatest obstacle in the path toward reunification of China Until now historians have ascribed much of the success of the Northern Expedition culminating in the capture of Peking to the Communist led mass organizations who were reported to have won over the populace in the territory ahead of the National Revolutionary Army Dr Jordan s research especially in Communist materials has uncovered evidence indicating that although the mass organizations did aid the army at particular points in 1925 and 1926 there had also been a side to the mass movement that was disruptive to the goal of reunification Of additional import some of the key participants in the later governments of Taiwan and Peking among them Chiang Kai shek Mao Tse tung Chou En lai and Lin Piao received their basic political training in the National Revolution      *M. N. Roy* Kris Manjapra,2020-11-29 This is a work of South Asian intellectual history written from a transnational perspective and based on the life and work of M N Roy one of India s most formidable Marxist intellectuals Swadeshi revolutionary co founder of the Mexican Communist Party member of the Communist International Presidium and a major force in the rise of Indian communism M N Roy was a colonial cosmopolitan icon of the interwar years Exploring the intellectual production of this important thinker this book traces the historical context of his ideas from 19th century Bengal to Weimar Germany through the tumultuous period of world politics in the 1930s and 1940s and on to post Independence India In this book the author makes a number of valuable theoretical contributions He argues for the importance of conceiving the deterritorial zones of thought and action through which Indian anti colonial political thought operated and advances a new periodisation for Swadeshi on this basis He also argues against viewing international communism of the 1920s as a single monolith by highlighting the fractures and contestations that influenced colonial politics worldwide A fresh and insightful perspective on the history of India in the interwar years this

book will be of great interest to scholars and students of the modern history of South and East Asia America and Europe and to those interested in anti colonial struggles Communist politics and trajectories of Marxist thought in the 20th century
